Branding guru Aaker shows how to eliminate the competition and become the lead brand in your market This ground
breaking book defines the concept of brand relevance using dozens of case studies Prius Whole Foods Westin iPad and more
and explains how brand relevance drives market dynamics which generates opportunities for your brand and threats for the
competition Aaker reveals how these companies have made other brands in their categories irrelevant Key points When
managing a new category of product treat it as if it were a brand By failing to produce what customers want or losing
momentum and visibility your brand becomes irrelevant and create barriers to competitors by supporting innovation at every
level of the organization Using dozens of case studies shows how to create or dominate new categories or subcategories
making competitors irrelevant Shows how to manage the new category or subcategory as if it were a brand and how to
create barriers to competitors Describes the threat of becoming irrelevant by failing to make what customer are buying or
losing energy David Aaker the author of four brand books has been called the father of branding This book offers insight for
creating and or owning a new business arena Instead of being the best the goal is to be the only brand around making
competitors irrelevant The Ford Sportsman 1946-1948 Don Narus,2011-04-06 In 1945 Henry Ford II and designer E T
Gergorie got together and come up with the Sportsman A woodie convertible that they thought might perk up the warmed
over 1942s that would become the 1946 models A prototype was built in October 1945 and was given a green light for full
