

Shakespeare's Sonnet 18 Analysis Activities

Answers

Activity 1

Answer the following questions in full sentences on the lines provided.

1. Summarise 'Sonnet 18' in your own words.

'Sonnet 18' celebrates the enduring beauty of the speaker's subject, suggesting that their beauty will be immortalised through the written word.

2. Explain the metaphor in 'Shall I compare thee to a summer's day?' and how it develops throughout the sonnet.

The metaphor 'Shall I compare thee to a summer's day?' suggests that the subject's beauty is being compared to the warmth, brightness and appeal of a warm English summer. However, as the sonnet progresses, Shakespeare develops the metaphor by highlighting that unlike summer, which is temporary and subject to change, such as rough winds and the eventual fading of the season, the subject's beauty is eternal. This metaphor serves as a way to explore how Shakespeare celebrates beauty while also reflecting on the power of art to grant immortality.

3. Identify examples of imagery in the poem and explain their effect.

Imagery such as 'Rough winds do shake the darling buds of May' and 'Sometime too hot the eye of heaven shines' creates strong pictures of nature's imperfections. These images highlight the temporary and unpredictable qualities of summer, such as harsh winds that damage delicate flowers and the overpowering heat of the sun. By contrast, Shakespeare uses this imagery to emphasise the superior and eternal nature of the subject's beauty, which remains unaffected by time or change. This use of imagery helps to illustrate the theme of the poem, how art can preserve beauty forever, even when the natural world is subject to flaws and decay.

4. Analyse the significance of the closing rhyming couplet.

The closing rhyming couplet, 'So long as men can breathe or eyes can see, / So long lives this, and this gives life to thee,' highlights the poem's main idea: that poetry can make someone immortal. Shakespeare is saying that as long as people are alive to read his words, the subject of the poem will never be forgotten. The couplet shows the poet's confidence in the lasting power of his writing to preserve the beauty and memory of the person it celebrates. It also connects to the idea that art can outlive time, giving a sense of hope and triumph over aging and death. This couplet sums up the poem's message that creativity and words have the ability to make someone's essence last forever.

England in Literature John Pfordresher, 1989

A textbook tracing the development of English literature from 450 A D to the 1950's Shakespeare's Drama in Poetry Alessandro Serpieri, 2018-05-01 This volume presents for the first time in English a selection of seminal studies originally published in Italian on the dramatic potential of Shakespeare's Sonnets providing a crucial contribution to a recently revived debate on their inherent dramatic dimension These studies long antedate the recent attention internationally dedicated to the formal and semiotic functions of the communicative structure of the sonnets providing the basis for a new perception of their peculiar capacity to perform speech acts within dramatically defined situations The first longest section is dedicated to a discussion of the so called Sonnets of Immortality where the poet struggles with Time over the future of the fair youth providing the argumentative premise upon which issues of mortality and loss running through the whole collection are defined in the agonistic terms of human defiance of Time's destructive power There follow two essays devoted to Sonnets 33

and 29 and to the last sonnets for the young friend respectively Here the poet abandons the battlefield of human mortality and engages with the tensions and conflicts of affection and moral duty against the backdrop of an intrinsically conflicting world model showing a medieval symbolic universe traversed by incipient yet radical sceptical stances These poems interlace fictionality and biography constructing a lyrical drama where the I poet features as an extraordinarily artificial yet all too real voice
