Nullifying God H. Robert Wilson Ph.D., 2018-01-01 Evolution and Creation are in a spiritual battle Evolution scientists ignore dismiss and unequivocally reject Creation out of hand It is not science or fact as evolution is they say However Nullifying God shows that random Darwinian evolution does not have the direct evidence required to support the claim Not only that but it provides contrary evidence that evolution is biologically impossible Because that is the case evolution can only persist in the unchallengeable authority it needs to maintain its position by actively attempting to nullify its alternative Creation and therefore the Bible and God Nullifying God was especially written to empower and benefit believers who are not familiar with science to show them that evolution cannot be fact and is not science It does so by 1 providing them with a core foundation of applied science principles to rationally question evolution's claims then 2 guiding them into solid clear knowledge of why evolution is biologically impossible and finally 3 presenting them with examples that

document evolution's attempts to nullify God. The bottom line is Biblical Creation is the only answer that explains life. **The Matriarchs of Genesis** David J. Zucker, Moshe Reiss, 2015-08-27 Sarah Hagar Rebekah Leah Rachel Bilhah Zilpah These are the Matriarchs of Genesis. A people's self understanding is fashioned on their heroes and heroines Sarah Rebekah Leah and Rachel the traditional four Matriarchs are important and powerful people in the book of Genesis. Each woman plays her part in her generation. She interacts with and advises her husband seeking to achieve both present and future successes for her family. These women act decisively at crucial points through their actions and words their family dynamics change irrevocably. Unlike their husbands we know little of their unspoken thoughts or actions. What the text in Genesis does share shows that these women are perceptive and judicious often seeing the grand scheme with clarity. While their stories are told in Genesis in the post biblical world of the Pseudepigrapha their stories are retold in new ways. The rabbis also speak of these women and contemporary scholars and feminists continue to explore the Matriarchs in Genesis and later literature. Using extensive quotations we present these women through five lenses the Bible Early Extra Biblical Literature Rabbinic Literature Contemporary Scholarship and Feminist Thought. In addition we consider Hagar Abraham's second wife and the mother of Ishmael as well as Bilhah and Zilpah Jacob's third and fourth wives. **The Anti-Bible** Ivan Green, 2024-09-29 The Anti Bible is exactly what the name implies. It will take readers on a journey through all 66 books of the New International Version of the Holy Bible exposing all the lies exaggerations contradictions violence hatred absurdities and immorality contained within. It will also show analyses of the Dead Sea Scrolls and Gnostic texts pieces of original scriptures that were left out of modern publications. These will show even more contradictions and fairy tales proving that the entire collection is man made and engineered to manipulate and control the uninformed. Primarily this book will serve as a reference for atheists in debates with Christians about nearly every part of the Bible. Secondly it could also become a steppingstone for Christians who may be questioning and or doubting their faith and who need a bit of help getting over that final existential hump as it were. There has been an extreme invasion of religion mainly Christianity in the U S A into the lives of atheists. The prominence of religious ignorance in the American government specifically has forced violent and hateful dogma into laws schools doctor offices and bedrooms. This book provides a creative and peaceful protest against those actions. Amen. **The Divine Default** J. J. Dyken, 2013 JJ Dyken takes commonly asserted religious claims and applies each of them to modern day examples to demonstrate the often fallacious nature of religious belief. He uses a mixture of common sense and scrupulous logic to mount an attack on not only religion itself but also upon the religious pseudoscientists who try to justify their assertions with faulty science. **The Greatest Lie on Earth (Expanded Edition)** Edward Hendrie, 2018-09-12 This book reveals the mother of all conspiracies. It sets forth biblical proof and irrefutable evidence that will cause the scales to fall from your eyes and reveal that the world you thought existed is a myth. The most universally accepted scientific belief today is that the earth is a globe spinning on its axis at a speed of approximately 1 000 miles per hour at the equator while at the same time it is orbiting the

sun at approximately 66 600 miles per hour All of this is happening as the sun in turn is supposed to be hurtling through the Milky Way galaxy at approximately 500 000 miles per hour The Milky Way galaxy itself is alleged to be racing through space at a speed ranging from 300 000 to 1 340 000 miles per hour What most people are not told is that the purported spinning orbiting and speeding through space has never been proven In fact every scientific experiment that has ever been performed to determine the motion of the earth has proven that the earth is stationary Yet textbooks ignore the scientific proof that contradicts the myth of a spinning and orbiting globe Christian schools have been hoodwinked into teaching heliocentrism despite the clear teaching in the bible that the earth is not a sphere and does not move This book reveals the evil forces behind the heliocentric deception and why scientists and the Christian churches have gone along with it **GOD SAW YOU** Robert E. Carpenter D.D.S,2025-08-11 In God Saw You Dr Carpenter takes the reader through a fascinating journey that focuses on the modern sciences of genetics and biochemistry uniting them with the mysteries of the kingdom of God Over 1 400 footnotes are presented on the page referring to them so the reader has immediate access to the truths presented Modern science and the Holy Scriptures conflict with each other On these pages the battle lines are reduced unapologetically from assumptions possibilities hypotheses and theories to raw truths many of which you might find to be inconvenient The author finds an amazing number of scriptures that deal with genetics ranging from simple concepts such as seeds and conception to complex references to DNA and the human genome The book's real pay dirt is when he reveals the beautiful spiritual truths that are metaphorically parallel to these physical sciences This is the true sense of the word apocalypse meaning an unveiling The entire Bible is an apocalypse an unveiling of who God is His kingdom His expectations and all of history past present and future This book does just that lifting the veil off of familiar scriptures and revealing the rich and thrilling images previously hidden in the mysteries of God's Word Get ready to see into the mind of God as He planned and programmed your genome As King David said in Psalm 139 Your eyes saw my substance being yet unformed and in Your book they all were written when as yet there were none of them How precious also are Your thoughts to me O God How great is the sum of them Yes God actually Saw You And when you see that you will never be the same again

4Th Michael Ebifegha, 2017-12-20 4th Refuting the Myth of Evolutionism and Exposing the Folly of Clergy Letters The Darwinian theory of evolution begins with facts science of microevolution and ends with fiction myths of macroevolution The myths are part of our experience no transitional organisms in the living world and part of our discoveries no transitional fossils in such deposits at the Burgess Shale and Chengjiang sites where various kinds of organisms appear together in large collection In his fourth book Refuting the Myth of Evolutionism and Exposing the Folly of Clergy Letters author Michael Ebifegha stresses that real science is timeless and based on events that are directly or indirectly observable testable and repeatable Challenging evolutionists and their clerical allies who are banning the teaching of creationism in public schools Ebifegha insists that evolutionism is also outside sciences purview and therefore should be banned as well He reprimands clerics for capitalizing on human knowledge but failing to recognize the validity of God's personal claim in speech before an audience and in print on stone tablets for having created the world These interventions he asserts fulfill the world's standard legal requirement for inventors Ebifegha argues that the inconsistency of imposing evolutionism as scientific truth on the public and banning creationism violates 1 the academic rights of accomplished scientists who disagree with evolutionism on scientific grounds 2 the US Supreme Court's 1992 declaration At the heart of liberty is the right to define one's own concept of existence of meaning of the universe and of the mystery of human life and 3 God's historical claim to ownership of the universe Instead of separation of church and state Ebifegha recommends separation of worldviews and state
