CHOICES: Never-Ending Dilemmas in Everyday Life Arthur Asa Berger, 2024-01-23 This book is about the never ending need we have to make choices If you think about it we have to decide what time to wake up every morning what to wear unless we need to wear a uniform what to have for breakfast if we eat breakfast lunch and dinner and if we eat in restaurants what to order and our need to make all kinds of other choices all day long Some of our choices are mundane like what to have for breakfast if we eat breakfast to have coffee or tea and if so plain or with milk cereal toast or a bagel and if so what kind plain with poppy seeds with everything or a sweet roll eggs if so fried soft boiled scrambled and so on Most of the choices we make are not important and we often develop habits to relieve us of having to think about our choices For example I have the same thing for breakfast every day a bowl of oatmeal with chia seeds and flax seeds hot milk a cup of

espresso coffee with hot milk and half a bagel with butter Occasionally I have a soft boiled egg as well But other choices we have to make are life changing such as how to live single living with a partner or getting married what kind of education to get what kind of job or profession to choose where to live and what kind of house to buy if you can afford a house whom to vote for and so on After reading this book you will better understand the role that the choices we make play in society and culture and in our everyday lives **Binary Oppositions in American Society and Culture** Arthur Asa Berger,2024-02-06

This book which explores the social psychological cultural and political significance of the concept of binarism is intertextual in nature and borrows from the ideas and writings of scholars whose ideas help us understand binarism and from some modified and updated versions of my previous writings The concept of intertextuality is derived from the writings of the Russian communications theorist M M Bakhtin and his theories about dialogism which are of central importance in this book Intertextuality is a concept that refers to the interconnectedness of texts where one text refers to quotes or incorporates elements from another text It is the idea that no text exists in isolation but it is influenced by and refers to other texts that came before it Binaries is also multi disciplinary and is a cultural studies analysis that uses semiotics psychoanalytic theory sociological theory and Marxist theory to investigate the role binary oppositions play in shaping American culture character and society **The Score That Matters** Ryan Hawk,Brook Cupps,2024-03-26 USA Today Bestseller

Redefine success based on who you are and what you value with this indispensable guide from the authors of The Pursuit of Excellence and Surrender the Outcome People love to keep score Managers keep score of a range of business metrics market share revenue profit margin growth rate In our personal lives social media has us keeping score by likes and followers These external scores are outcome driven and serve as proof of our success money fame material possessions wins but this constant chase for more validation often leaves us feeling exhausted and empty In The Score That Matters Ryan Hawk and Brook Cupps show that the internal score is what matters most it reveals whether we are living in alignment with our purpose and values It also measures how we are leading ourselves and others prompting us to Differentiate between the two scoreboards that run our life Use our fear as fuel Avoid the poison of comparison Embrace the mundanity of excellence Regulate our emotional thermostat Create a mentality for attacking adversity Offering both descriptive and prescriptive advice and anecdotes The Score That Matters will help you unlock true fulfillment and happiness by discovering your purpose identifying your values and creating critical behaviors and living them faithfully every day in all aspects of your life **TASTE: Why You Like**

What You Like Arthur Asa Berger,2023-03-07 Taste is an enigmatic topic We recognize that taste plays an important role in our life in that everything we buy and many things we do are governed by our sense of taste But what exactly is taste How do we get our sense of taste and how does it affect our everyday lives Does it evolve as we grow older or is it a constant in our lives Is it affected by all the influencers to whom we are exposed as we watch TikTok and commercials or do influencers merely spark some kind of inner sense of taste that was with us all the time Is our taste based on our social and economic
