Death's Memoir Sif Rose Thaysen, 2023-04-05 Ten gothic short stories illustrated by the author I m still in the car The windshield is cracked Branches are poking through like hands of death reaching for us My chest hurts so does my leg It s hard to breathe the seat belt tight across my body Pain shoots up my neck as I turn my head just a little but I can see her out the corner of my eye her head lolling to one side She lays against the passenger door which has been pushed in by the tree trunk Her arm is at a wrong angle A slim line of blood runs from the corner of her mouth She turns her head opens her eyes Dead pale You killed me she says with stiff blue lips A collection of short stories by Sif Rose Thaysen for a young adult new adult readership The ten stories investigate the gothic genre through a modern lens and deal with various aspects of death and loss through different tropes voices and settings
