The Digital NBA Steven Secular,2023-06-20 The National Basketball Association reaches a global audience via a multiplatform strategy that leverages its uncanny ability to connect fans to all things NBA Steven Secular brings readers inside the league s global operations and traces the history of the NBA s approach to sports media from its 1980s embrace of cable through the streaming revolution of the twenty first century As fans around the world stream games and other league

content NBA teams incorporate foreign languages and cultures into broadcasts to boost their product's appeal to audiences in Brazil, China, and beyond. Secular's analysis reveals how the NBA continues to transform itself into a wildly successful media producer and distributor more akin to a streaming studio than the sports leagues of old, even as its media partners and sponsors erase any notion of sports as a civic good. A timely look at a dynamic media landscape. *The Digital NBA* shows how the games we love became content first and sport a distant second.

From Hang Time to Prime Time Pete Croatto, 2020-12-01 Perfect for fans of *Moneyball* and *The Book of Basketball*, this vivid, thoroughly entertaining, and well-researched book explores the NBA's surge in popularity in the 1970s and 1980s and its transformation into a global cultural institution. Far beyond simply being a sports league, the NBA has become an entertainment and pop culture juggernaut. From all kinds of team logo merchandise to officially branded video games and players crossing over into reality television, film, fashion lines, and more, there is an inseparable line between sports and entertainment. But only four decades ago, this would have been unthinkable. Featuring writing that leaps off the page with energy and wit, journalist and basketball fan Pete Croatto takes us behind the scenes to the meetings that lead to the monumental American Basketball Association National Basketball Association merger in 1976, revolutionizing the NBA's image. He pays homage to legendary talents including Julius Dr. J, Erving, Magic Johnson, and Michael Jordan, and reveals how two polar opposite rookies, Larry Bird and Magic Johnson, led game attendance to skyrocket and racial lines to dissolve. Croatto also dives into CBS's personality-driven coverage of key players, as well as other cable television efforts which launched NBA players into unprecedented celebrity status. Essential reading, whether you're a casual or longtime fan. *From Hang Time to Prime Time* is an enthralling and entertaining celebration of basketball history.
