Neuhaus, Niklas Thomas, 2024-01-03 This edited collection conceptualizes professional basketball not just as a sport but as an
historically culturally and economically embedded entity The chapters analyse the fact that the sport of basketball contains
alternative logics that can easily clash and by treating professional basketball as the negotiation place of these multiple
demands ideas and logics the editors have identified three areas in which these clashes manifest the realization of the game
the cultural impact of professional basketball and the global outreach of professional basketball The book is explanatory and
qualitative offering new perspectives and touching on topics including gender diversity racism and minority experiences
within professional basketball As such it will be of interest to sport sociologists as well as those researching the history of
sport sports marketing and cultural studies *Children's Magazine Guide* ,2007 The First Tip-Off: The Incredible Story
