Interdisciplinary Analyses of Professional Basketball Till Neuhaus, Niklas Thomas, 2024-01-03 This edited collection conceptualizes professional basketball not just as a sport but as an historically culturally and economically embedded entity. The chapters analyse the fact that the sport of basketball contains alternative logics that can easily clash and by treating professional basketball as the negotiation place of these multiple demands ideas and logics the editors have identified three areas in which these clashes manifest the realization of the game the cultural impact of professional basketball and the global outreach of professional basketball. The book is explanatory and qualitative offering new perspectives and touching on topics including gender diversity racism and minority experiences within professional basketball. As such it will be of interest to sport sociologists as well as those researching the history of sport sports marketing and cultural studies.

Sports Highlights Ray Gamache, 2023-09-07 This expanded second edition traces the development and popularity of the sportscast highlight the dominant news frame in the crowded medium of electronic sports journalism as the primary means of communicating about sports and athletes. The book explores the intricate relationships among media producers sports leagues and organizations and audiences and explains that sportscast highlights are not a recent development. They were often used within a news context in every medium from early news film actualities and newsreels to network and cable television to today's new media platforms. New to this edition are three chapters that explore developments in sports media from cultural economic and technological perspectives. An obsession with highlights has seen video replay increasingly used to adjudicate sporting events marking a new level of reliance on technology. The media's quest for greater certitude and integrity corresponds with the rise of sponsorship of pro teams by gambling operators with sports betting ads and on screen odds now routinely appearing in sportscasts. Long form sports documentaries have become popular often highlighting a fascination with firsts rooted in notions of human conquest over nature that has remained an important source of sports mythmaking.

The Ultimate Guide to Pro Basketball Teams Nate LeBoutillier, 2010-07 This book includes a brief history franchise records stats on top players and more for the National Basketball Association's thirty teams.

Race/Gender/Class/Media Rebecca Ann Lind, 2023-03-14 The fifth edition of this popular textbook considers diversity in the mass media in three main settings Audiences Content and Production. The book brings together 55 readings the majority newly commissioned for this edition by scholars representing a variety of humanities and social science disciplines. Together these readings provide a multifaceted and intersectional look at how race gender and class relate to the creation and use of media texts as well as the media texts themselves. Designed to be flexible for use in the classroom the book begins with a detailed introduction to key concepts and presents a contextualizing introduction to each of the three main sections. Each reading contains multiple It's Your Turn activities to foster student engagement and which can serve as the basis for assignments. The book also offers a list of resources books articles films and websites that are of value to students and
