Congress. Senate. Judiciary, 1973 **The Darkness Of 10,000 Stars** John J. Ensminger, Ph. D, 2009-02-11 TITLE THE DARKNESS OF 10 000 STARS AUTHOR JOHN J ENSMINGER PhD Meet Arthur Banks a wise gentleman nearly 80 retired Navy chaplain who has been a friend to George Farmer and his sons all his life However after George passed away Arthur experienced a long absence from the Farmer family and he is stunned when suddenly he receives a phone call from Nick Farmer George s youngest son and his godson Although Nick has called primarily to say hello to his old friend he s expressed to Arthur that he s having a serious health problem and that he his wife and children now reside up on the coast highway in a small town called Sinnerville Nick is coming down to Frisco for some tests the following week and he may be able to stop and see Arthur Although Arthur was gladly anticipating Nick s visit nothing ever came of it Therefore Arthur telephones Nick to plan a trip to Sinnerville to meet his family and visit Nick about his illness Arthur makes the 5 1 2 trip to Sinnerville and learns that everything appears to be fine with Nick and his family Nick s problem seems to stem from something terrible going on at the Post Office where he works but Arthur feels sure things will all settle down and work out He promises his constant support and prayers whatever happens However a few days later while Arthur has been home he receives another sudden call this time from Nick s wife Darlene whom he has just met She wants Arthur to return ASAP as Nick is reportedly acting suicidal With tremendous concern Arthur advises Darlene to remove all the weapons from the property if she can do so safely and he promises to return as soon as he can work out his travel plans When he does return to Sinnerville Nick s health had visibly declined he is in a dark confused mood Nick attempts to explain what s been going on at work but it all seems quite unbelievable However Darlene agrees that it is exactly as her husband has said Therefore Arthur plans to look into the matter on their behalf if they ll allow it This is a story of friendship hope and courage as Nick and Darlene s fates unravel before our eyes Arthur learns something about evil from the small town of Sinnerville and its people but in spite of them he carries on to act courageously to try to help and later to try to locate and rescue his lifelong friend and his family You may wish you had a friend like Arthur Banks who is persistent to the end You may wish you had his courage and his grit in difficult times *World Drug Traffic and Its Impact on U.S. Security: Testimony of Dr. Robert W. Baird* United States. Congress. Senate. Committee on the Judiciary. Subcommittee to Investigate the Administration of the Internal Security Act and Other Internal Security Laws, 1972 [A Guide to Addiction and Its Treatment](#) M.M. Glatt, 2012-12-06 The field of Addiction Studies is often one in which highly specialized investigations

in narrowly defined areas of concern provide results which are not immediately or easily transferable to the practical problems faced in society The collected work of many specialists is frequently too specialized for successful presentation to a wider audience Against such a background Dr Max Glatt has emerged clearly as one of the better authorities on alcohol and drug problems in the world His specialties cover an extremely broad range of disciplines approaches and interests When Dr Glatt writes he does so with a brilliant command of the larger picture the overall impact of alcohol and drug problems in society and the complexities human and social inherent in the development of addiction its treatment and prevention A Guide to Addiction and Its Treatment provides further testimony on Dr Glatt s skill in weaving together the infinite number of threads on the subject area This new volume is a most valuable resource which is sure to become required reading for all those with an interest in comprehensive approaches to this vital health and social problem Throughout the book Dr Glatt strongly emphasizes the need for interdisciplinary approaches to addiction and shows clearly why such a coordinated view is necessary if societies are to respond adequately to the escalating health problems associated with the ever increasing use and misuse of drugs
