Scripting the Moves Joanne W. Golann,2025-03-18 An inside look at a no excuses charter school that reveals this educational model s strengths and weaknesses and how its approach shapes students Silent single file lines Detention for putting a head on a desk Rules for how to dress how to applaud how to complete homework Walk into some of the most acclaimed urban schools today and you will find similar recipes of behavior designed to support student achievement But what do these scripts accomplish Immersing readers inside a no excuses charter school Scripting the Moves offers a telling window into an expanding model of urban education reform Through interviews with students teachers administrators and parents and analysis of documents and data Joanne Golann reveals that such schools actually dictate too rigid a level of social control for both teachers and their predominantly low income Black and Latino students Despite good intentions scripts constrain the development of important interactional skills and reproduce some of the very inequities they mean to disrupt

Golann presents a fascinating sometimes painful account of how no excuses schools use scripts to regulate students and teachers.
