also stories from Scripture of imperfect people used by God Moses by his own admission wasn't very eloquent but he showed up and God used him to liberate and lead His people We name churches and children after the disciples But originally they were just a bunch of uneducated nobodies with one thing in common when Jesus said Follow me they showed up With humor and candor Dyck reflects on his own faltering progress while recounting inspiring stories of how God rewards the persistent presence of ordinary people Just Show Up challenges readers to show up for God family community and themselves We tend to think it's the big bold moments that matter In reality it's the steady accumulation of small acts of obedience to God that add up to a life of meaning and impact Dyck
