

Clay Story (10 Syllables Per Line Poem)

**Strange how Life can be more than a story
Plots and characters bring a pleasant thrill
With laughter and tears, some sad and funny
Tragedies and heartaches may bring Pain's chill.**

**A finite journey men must tread along
But storms and trials make it clear to me
In the end there's a Home where we belong
Our purpose is -with God we're meant to be.**

**Life one page at a time is no wonder
God's the Author, so trust in Him today
He knows the best- His Love stays forever
And the choice is ours to make, if we may.**

**As clay to the Potter, let our life be-
A masterpiece for Him all men can see.**

differently before and after 1865 Many current conceptions of Dickinson are based on her late poetic practice Such conceptions Miller contends are inaccurate for the time when she wrote the great majority of her poems Before 1865 Dickinson at least ambivalently considered publication circulated relatively few poems and saved almost everything she wrote in organized booklets After this date she wrote far fewer poems circulated many poems without retaining them and took less interest in formally preserving her work Yet Miller argues even when circulating relatively few poems Dickinson was vitally engaged with the literary and political culture of her day and in effect wrote to her contemporaries Unlike previous accounts placing Dickinson in her era Reading in Time demonstrates the extent to which formal properties of her poems borrow from the short lined verse she read in schoolbooks periodicals and single authored volumes Miller presents Dickinson s writing in relation to contemporary experiments with the lyric the ballad and free verse explores her responses to American Orientalism presents the dramatic lyric as one of her preferred modes for responding to the Civil War and gives us new ways to understand the patterns of her composition and practice of poetry
