1 And 2 Thessalonians Robertson S Notes:

Word Pictures in the New Testament - 2 Thessalonians A. T. Robertson, 1930 This is a verse by verse commentary on the English text with the corresponding Greek in English letters stressing those meaningful and pictorial suggestions which are often implicit in the original significance of the words but are lost in translation The author makes available for those who do not know Greek a large amount of critical and exegetical material and of interpretative insight directly connected with studies in the original text Book jacket

Everything in Common? Fiona Jane Robertson Gregson, 2017-11-07 Possessions and how believers handle them are key topics in the NT In this book Fiona Gregson examines the practice and theology of sharing possessions in community in the NT by examining six diverse NT examples of sharing Each example is considered in its historical and cultural context before being compared to one or more non Christian examples to identify similarities and differences Gregson identifies common characteristics across the NT examples and consistent distinctives in how the early church shared possessions compared to the surrounding cultures Gregson s findings demonstrate that Christians subverted Roman patronage expectations Christian groups were more diverse in their membership and exhibited more flexible less structured examples of sharing Christians placed greater emphasis on the free choice of individuals to contribute to sharing and Christians more frequently participated in eating together and had a greater focus on relational bonds than was common in Graeco Roman society culture

Life Application New Testament Commentary Livingstone, 2016-07-01 Based on the best selling Life Application Commentary series this single handy volume

holds practical concise insight on every verse in the New Testament Now readers can get all the useful background information they need without a lot of obscure facts they don't need A key resource for every Bible teacher and anyone else who wants to understand the New Testament and how it applies to real life From Hope to Despair in Thessalonica Colin R. Nicholl, 2004-03-04 This ground breaking analysis cuts to the heart of the critical debate surrounding the two Thessalonian Epistles Colin R Nicholl examines the situations giving rise to each Letter with a view to determining how the two relate historically His book presents an original and compelling hypothesis arguing that reflected in the Letters are two stages of a single crisis plaguing a recently formed Greek Church which spiralled from hope into despair on account of confusion about the end In addition to making a fresh case for the authenticity of 2 Thessalonians and resolving one of the most difficult problems in the Bible the identity of the Restrainer this monograph is a comprehensive analysis of the Thessalonian Epistles It will provide an indispensable resource for scholars and pastors interested in the Thessalonian correspondence **Slavery in Early Christianity** Jennifer A. Glancy, 2002 Jennifer A Glancy brings a multilayered approach to these and many other issues offering a comprehensive reexamination of the evidence pertaining to slavery in early Christianity Jacket **In Search For The Gift Of The Holy Spirit** Gaylon West, 2016-07-24 Not only is Acts 2:38 a controversial text because of the mention of baptism for the remission of sin but also because of the second independent clause The audience asks What shall we do Peter answers in two clauses The second is You shall receive the gift of the Holy Spirit What does that mean West has taken a fresh look at the many passages dealing with the Holy Spirit He revisits Acts 5:32 where much misunderstanding has arisen West deals with the English and Greek grammar in the passages in the context of the entire Bible The major views of the gift of the Holy Spirit are dealt with 1 the gift is salvation 2 the gift is supernatural signs 3 the expression is metaphorical 4 the gift is the Spirit Himself Major problems that influence beliefs are a learned scholars use their theology instead of their scholarship b the grammar is treated as a complex sentence instead of a compound one and c passages such as Acts 5:29-32 are misused to prove what the gift is **The Formation of the Early Church** Jostein Ådna, 2005 Essays presented are adapted papers read at the 7th Nordic New Testament Conference in Stavanger Norway June 14-18 2003 Grace, a Free Ride to Heaven? Gaylon West, 2011-05-23 Definitions of grace identify one's religious affiliation in Christendom and one's attitude toward Bible content This book gives the theological development of the word and presents evidence that the word does not mean unmerited Further it is shown that to ignore this is to misinterpret Jesus mission and reject the loving grace that He provides to us from His Father and our Judge
