

Monologue

(Curtains open to *An Unknown Character* standing on an empty center stage)

Unknown Figure

You know, I'm kinda sick of it. The pain. The hurt. The sorrow. 'The world is changing' so they say- but what do I have to do with it? Where will I ever come into the picture? Don't give me the '*Oh, everyone matters!*' crap either. Because I *don't* matter. The question is, does anyone? Sure, maybe Einstein or some world-changing soul, but I'm not either. I'm '*just a teenager*'. No one listens 'cos '*my body is going through some changes, hormones and crap*' they tell me. I think it's because they are scared we're right and we aren't them. But the thing is, it's always the same for me: *wake up, shower, get ready eat, go to school, come home, eat, go to bed, repeat*. Where's the world changing in that? What do I have to lose? What does *anyone* have to lose? Romance maybe, but I've been told I'll never find anyone. No one will miss me. Maybe for a month, but they will forget me. The world will keep going. The end. My best of wishes. Goodbye.

Your best and dearest friend,
No one
