## **An Unexpected Victory An Unexpected Fate Series 6:**

Surprise Attack Ephraim KAM, Ephraim Kam, 2009-06-30 Ephraim Kam observes surprise attack through the eyes of its victim in order to understand the causes of the victim's failure to anticipate the coming of war. Emphasizing the psychological aspect of warfare, Kam traces the behavior of the victim at various functional levels and from several points of view in order to examine the difficulties and mistakes that permit a nation to be taken by surprise. He argues that anticipation and prediction of a coming war are more complicated than any other issue of strategic estimation involving such interdependent factors as analytical contradictions, judgemental biases, organizational obstacles, and political as well as military constraints. **Surprise Attack: The Victim's Perspective** offers implications based on the intelligence perspective, providing both historical background and scientific analysis that draws from the author's vast experience. The book is of utmost value to all those engaged in intelligence work and to those whose operational or political responsibility brings them in touch with intelligence assessments and the need to authenticate and then adopt them or discount them. Similarly, the book will interest any reader intrigued by decision-making processes that influence individuals and nations at war and sometimes even shape national destiny. Ehud Barak, Former Prime Minister of Israel. **Radio Program Openings and Closings, 1931-1972** Vincent Terrace, 2015-06-08 The openings and closings to radio programs of all types from comedies *Blondie*, *The Jack Benny Program*, *Lum and Abner* to mysteries *Inner Sanctum*, *Mysteries*, *The Black Chapel* to game shows *Can You Top This?*, *Truth or Consequences* to serials *Second Husband*, *Bachelor's Children* to crime dramas *The Falcon*, *Eno*, *Crime Clues*, *The Green Hornet*, *Mr. and Mrs. North* to westerns *Gunsmoke*, *Wild Bill*, *Hickok*, *Hawk*, *Larabee* that were aired between 1931 and 1972 are included in this work. Each entry has a brief introductory paragraph that provides information about the storyline, principal cast, sponsors, and air dates. Commercials have been included if the programs were under regular sponsorship. Includes three appendices: sponsors, slogans, and jingles, and World War II announcements, and an index. **The New Gold Standard** Tim Prister, 2006-09-05 From the most storied school in college football history, *The Gold Standard* abandoned by most of the world in the 1930s, has been an article of faith in South Bend, Indiana, for almost a century. Mere winning records and second-tier bowl games. Not good enough for Fighting Irish fans. No college football program has produced more national championships, more All-Americans, and more Heisman Trophy winners than Notre Dame. But recently, not so much. No national championship since 1988, only one All-American since 1994, and a combined 11-12 record in the 2003-2004 seasons. So out went Tyrone Willingham, fired just three years into a five-year contract, the first Irish coach ever to be dismissed before the end of his deal. In came Charlie Weis, a forty-nine-year-old Notre Dame grad with no head coaching experience but four Super Bowl rings as an assistant coach. Weis proved in the space of a single season to be a football maestro with a hard edge, a brilliant mind, an affinity for detail, and an uncanny sense of how to motivate people. He returned a program mired in the blahs to its rightful and historic place among college football's elite. This book takes you inside a season unlike any other in

Fighting Irish history and inside Weis's master plan for restoring the Gold Standard in South Bend *Battle of Britain 1940*

civilians seamen and ground staff gave their lives whose names are not included among the Few a fact not overlooked in this  
groundbreaking book In this unique study veteran historian Dilip Sarkar explores the individual stories of a wide selection of  
those lost during the Finest Hour examining their all too brief lives and sharing their tragic stories told here in full for the  
first time Also included is the story of a German fighter pilot indicating the breadth of investigation involved Researched with  
the full cooperation of the families concerned this work is a crucial contribution to the Battle of Britain's bibliography

Edward Gibbon, 2024-01-10 Edward Gibbon's monumental work *The History of the Decline and Fall of the Roman Empire* spans six volumes, meticulously chronicling the complexities of Rome's gradual disintegration from the height of its power to the multifaceted factors contributing to its decline. Written in a lucid and elegant prose style characteristic of the 18th century, Gibbon employs a rich narrative interwoven with philosophical insight, rigorous analysis, and a keen awareness of historical context. His exploration delves into the interplay of political, military, and cultural shifts, presenting a comprehensive perspective not only on Rome but also on the broader themes of governance and civilization. Gibbon, an English historian and Member of Parliament, was profoundly influenced by the Enlightenment ideals of reason and skepticism towards traditional authority. His personal experiences combined with his extensive reading of classical literature and contemporary historiography equipped him with a unique lens through which to examine Roman history.
