Education California. Department of Education, 1974

the interdependencies between visual technologies and epistemology with regard to our perception of the medical body It explores the relationships between the imagination the body and concrete forms of visual representations Ranging from the Renaissance paradigm of anatomy to Foucault's birth of the clinic and the institutionalised construction of a medical gaze from visual archives of madness psychiatric art collections the politicisation and economisation of the body to the post human in mass media representations Contributions to this volume investigate medical bodies as historical technological and political constructs constituted where knowledge formation and visual cultures intersect Contributors are Axel Fliethmann Michael Hau Birgit Lang Carolyn Lau Heikki Lempa Stef Lenk Joanna Madloch Barry Murnane Jill Redner Claudia Stein Elizabeth Stephens Corinna Wagner and Christiane Weller

The Naked Truth Alys X. George, 2020-05-15 Uncovers the interplay of the physical and the aesthetic that shaped Viennese modernism and offers a new interpretation of this moment in the history of the West Viennese modernism is often described in terms of a fin de siècle fascination with the psyche But this stereotype of the movement as essentially cerebral overlooks a rich cultural history of the body The Naked Truth an interdisciplinary tour de force addresses this lacuna fundamentally recasting the visual literary and performative cultures of Viennese modernism through an innovative focus on the corporeal Alys X George explores the modernist focus on the flesh by turning our attention to the second Vienna medical school which revolutionized the field of anatomy in the 1800s As she traces the results of this materialist influence across a broad range of cultural forms exhibitions literature portraiture dance film and more George brings into dialogue a diverse group of historical protagonists from canonical figures such as Egon Schiele Arthur Schnitzler Joseph Roth and Hugo von Hofmannsthal to long overlooked ones including author and doctor Marie Pappenheim journalist Else Feldmann and dancers Grete Wiesenthal Gertrud Bodenwieser and Hilde Holger She deftly blends analyses of popular and high culture laying to rest the notion that Viennese modernism was an exclusively male movement The Naked Truth uncovers the complex interplay of the physical and the aesthetic that shaped modernism and offers a striking new interpretation of this fascinating moment in the history of the West
