This workbook provides practice in word problems. Emphasis is placed on addition, subtraction, multiplication, division, time, and beginning fractions. It is designed to provide practice for the primary age child and is compatible with classroom instruction. The pages are presented in a suggested order but may be used in any order which best meets a child's needs. Parents who wish their children to have practice in word problems will find the book as helpful as classroom teachers will find it. The exercises are presented so that a child can work with a minimum of supervision. Answers are included in a four-page leaflet in the middle of the book. This leaflet can be easily removed.

New Interchange Student's Book 3A Jack C. Richards, Jonathan Hull, Susan Proctor, 1998-04-13. New Interchange is a multi-level series for adult and young adult learners of English from the beginning to the high intermediate level. Student's Book A contains units 1-8, the first half of the complete Student's Book. The Level 3 Student's Book builds on the foundations established in Level 2 for accurate and fluent communication, extending grammatical, lexical, and functional skills. Beautiful color photographs and illustrations facilitate the teaching of new vocabulary. The New Interchange series teaches students to use English for everyday situations and purposes related to school work, social life, and leisure. As with the other levels of New Interchange, a complete set of ancillaries including a video program is available to make classes interesting and productive.
