Community Series: Towards a Meaningful Instrumental Music Education. Methods, Perspectives, and Challenges – Volume II Andrea Schiavio,Marja-Leena Juntunen,Dylan van der Schyff,Luc Nijs,2024-02-26 Trying to understand the complex interplay between effective learning and personal experience is one of the main challenges for instrumental music education Much of the research that focuses on effective learning outcomes often adopts experimental methodologies that do not allow for a thorough examination of the subjective and social processes that accompany each student s musical journey on the contrary contributions dedicated to the detailed analysis of the learners lived experience often do not offer generalizable outcomes to different types of learning

and teaching *Handbook of Special Education Research, Volume I* Thomas W. Farmer, Elizabeth Talbott, Kristen McMaster, David Lee, Terese C. Aceves, 2022-05-10 Divided into two volumes Handbook of Special Education Research provides a comprehensive overview of critical issues in special education research This first volume addresses key topics in theory methods and development exploring how these three domains interconnect to build effective special education research Each chapter features considerations for future research and implications for fostering continuous improvement and innovation Essential reading for researchers and students of special education this handbook brings together diverse and complementary perspectives to help move the field forward **Advances in the Contributions of Mathematics in the Field of Education and Psychology** Inmaculada Méndez, Juan Pedro Martínez-Ramón, Nelly Lagos San Martín, Belen Garcia-Manrubia, José Manuel García-Fernández, Francisco Manuel Morales Rodríguez, Cecilia María Ruiz Esteban, 2024-03-07 *Structural Racism* Stephen Menendian, 2025-06-30 This book explains how racial inequality in the United States is produced and perpetuated and what should be done about it It develops the elusive concept of structural racism presenting a precise definition that is clear and comprehensible and illustrates how it operates methodically and rigorously Many other books are long on problems and short on solutions whereas this book develops the key principles that must ground a structural reform agenda and then presents a broad ranging set of interventions organized around ten themes that will reduce racial disparities while expanding opportunity for all Unlike most books on race which focus on a particular issue or sector this book is comprehensive in its scope encompassing the vital systems that shape racial inequality in contemporary American society from education and public schools to income and wealth disparities to housing and health care to policing and the criminal justice system As such this book is the ideal text for readers seeking to learn more about structural racial inequality in society how it came to be that way and what we should do about it while deepening our understanding and challenging many misguided or simplistic prevailing notions In a time of backlash to racial justice and growing doubts about racial equity initiatives this book is a timely and necessary entry A must read for advocates students policymakers and researchers alike
