Exploring Microeconomics, 6th Edition Robert L. Sexton, Colin C. Kovacs, Peter N. Fortura, 2023-01-20 Exploring Microeconomics Sixth Canadian Edition offers students a lively approach designed to take the intimidation out of economics. With its short self-contained learning units and its carefully chosen pedagogy, graphs, and photos, this text helps students master and retain the basic principles of economics. In addition, the current events focus and modular format of presenting information makes Exploring Microeconomics very student accessible and user friendly. Robert Sexton's section-by-section approach is designed to encourage economic literacy and helps students appreciate how economics impacts both business and daily life. Sexton helps students build a solid understanding of economic principles by engaging them from the outset and providing them with multiple points of practice.

Principles of Microeconomics Stefani Milovanska-Farrington, 2025-03-18 This textbook offers a comprehensive overview of microeconomics featuring teachable and applicable approaches to core concepts. It includes fresh examples and applications to help students understand and apply opportunity cost, choice theory, and more to their own world. Throughout the book, there are practice problems with step-by-step solutions that help students better understand the topics covered. Sections provide scenarios to help students analyze consumer choices as well as the decisions of firms. Readers will learn how to evaluate the impact of microeconomic policies and how to perform equilibrium analysis. The author publishes digital worksheets with questions based on recent news stories that readers can use as they work through the book. <https://econstefani.substack.com> The book combined with these free materials introduces new and fresh approaches to help students apply fundamental concepts to the world around them. The resulting book is a valuable learning tool that highlights
