Missy's Choice is the final book of the sexy and exciting a Wolf Affair Trilogy. What a few readers are saying: This was the perfect ending to a great series. I wasn't sure how everything would come together especially since I had a bad feeling about certain characters. This Book wrapped everything up perfectly though I could not have asked for a better ending. These characters and this story will definitely stay with me long after I've finished. Wow the Exorcist at its best or maybe worst happens in this book. Dang I really hope to see a Novella about Kenton's family background to tell us more about his family history. I already knew he was a great guy and the little bit of information I gained from this book made me like him even more.
