Retold: Princess Ilse, The Giant's Daughter Avril Sabine, 2017-07-18 Genre Myths And Legends Retold Short Story Norse
Ilse's father is willing to do anything to keep her from the man she loves She doesn't care he's a mortal She's willing to do anything to prevent her father from keeping them apart Although things aren't going exactly the way she'd hoped This story was written by an Australian author using Australian spelling Keywords teen young adult myths and legends short read
Norse myth Undines and mermaids adventure ancient times star crossed lovers Retelling Stories, Framing Culture John Stephens, Robyn McCallum, 2013-01-11 What happens to traditional stories when they are retold in another time and cultural context and for a different audience This first of its kind study discusses Bible stories classical myths heroic legends Arthurian romances Robin Hood lore folk tales oriental tales and other stories derived from European cultures One chapter is devoted to various retellings of classics from Shakespeare to Wind in the Willows The authors offer a general theory of what motivates the retelling of stories and how stories express the aspirations of a society An important function of stories is to introduce children to a cultural heritage and to transmit a body of shared allusions and experiences that expresses a society's central values and assumptions However the cultural heritage may be modified through a pervasive tendency of retellings to produce socially conservative outcomes because of ethnocentric androcentric and class based assumptions in the source stories that persist into retellings Therefore some stories such as classical myths are particularly resistant to feminist reinterpretations for example while other types such as folktales are more malleable In examining such possibilities the book evaluates the processes of interpretation apparent in retellings Index included **Philo of Alexandria and Greek Myth**, 2019-10-07 In Philo of Alexandria and Greek Myth Narratives Allegories and Arguments a fresh and more complete image of Philo of Alexandria as a careful reader interpreter and critic of Greek literature is offered Greek mythology plays a significant role in Philo of Alexandria's exegetical oeuvre Philo explicitly adopts or subtly evokes narratives episodes and figures from Greek mythology as symbols whose didactic function we need to unravel exactly as the hidden teaching of Moses' narration has to be revealed by interpreters of Bible By analyzing specific mythologems and narrative cycles the contributions to this volume pave the way to a better understanding of Philo's different attitudes towards literary and philosophical mythology
