In the Beginning Edward Eidolon,2022-08-03 Book two of Mandala the mind bending action thriller that melds the mundane and the magical the real and the surreal the brutal and the beautiful How do you hunt a lost soul In a sprawling urban core of everyday America Gradie pushes on the edge of reality and finds something more A world he will never remember A story he

can't forget An invitation to join an odd group of assassins and an unlikely group of friends He will face neon eyes that search through his memories astral teachers who demand his identity as sacrifice and trials of spirit that shatter everything he believes makes him who he is until something else forms in the ruins A Hardworlder A journey of Souls A war of Realities A struggle of spirits An epic saga unlike any other that's only just beginning Art and Idea in the Novels of China Miéville Carl Freedman, 2015-09-07 This book offers in the first six chapters critical readings of six novels by China Miéville which are followed in the seventh chapter by a theoretical meditation on some of the conceptual issues raised by and engaged in the Miéville oeuvre There comes a moment in *The City* the City though it is not necessarily the same moment for every reader when you realise that Beszel and Ul Qoma are not separate realms but the same space divided Likewise art and idea are often subject to absurd partition but then along comes an author such as China Miéville who shows them to be in truth indissoluble So argues Freedman's inordinately readable and just as rigorous account of Miéville's major novels Highly recommended Mark Bould University of the West of England Freedman offers a compelling interpretation of Miéville's novels informed equally by an impressive range of literary influences and a carefully documented exploration of historical antecedents Seeing Miéville's genre hybridity as an illustration of the power of dialectical thinking Freedman illuminates the complex utopian project of Miéville's fiction Freedman is one of our finest critical voices on Miéville one of the most important speculative writers of the 21st century Sherryl Vint University of California Riverside **1999: A Space Odyssey** John K Balor, 2018-08-03 Part of the premise of the online discussion transcribed in this book is how Gerry Anderson's television series *Space 1999* can be understood in relation to Stanley Kubrick's 2001 *A Space Odyssey* by looking at both narratives through the perspective of systems theory As a result of doing so an engaged debate concerned with the political and philosophical subtext of both stories developed This book gives a full account of the debate with summaries of ideas and insights The book has been developed on an idealistic basis It is sold at the lowest price the publisher was willing to accept A free e-book version can be downloaded at www.lulu.com
