exercise providing readers with practical tools to aid in their own healing journey The author strongly encourages journaling as a daily practice or as a resource to turn to during moments of overwhelming depression or anxiety Through heartfelt and candid storytelling this book offers hope and inspiration to those grappling with trauma and mental health challenges reminding them that they are not alone in their struggles and that healing is possible [What Is Ptsd?](#) Anna Baranowsky, Dr,2014-05-14 What Is PTSD 3 Steps to Healing Trauma is the perfect companion for your recovery introducing you to techniques and strategies that have helped thousands of our clients embark on their own healing journey We invite you to discover Three essential steps to healing trauma How your mind and body work in determining your unique response to trauma How to stay present in healing trauma Healing with new energy no matter how long ago your traumatic experience Highly effective coping techniques to help you cope with even your most distressing symptoms Recovery stories of trauma survivors providing you with inspiration and hope Significant ways to reconnect with others while moving forward in four key areas for healing You are not alone it is our honor to be your companions on this gentle journey to a new place in your life
