Alien Ecstasy English Edition:

Ecstasy and the Demon Susan Manning, 2006 Mary Wigman Germany's premier dancer between the two world wars envisioned the performer in the thrall of ecstatic and demonic forces Widely hailed as an innovator of dance modernism she never acknowledged her complex relationship with National Socialism In *Ecstasy and the Demon* Susan Manning advances a sociological explanation for the collaboration between German modern dancers and National Socialism She models methods for dance studies that contextualize choreography in relation to changing sociopolitical conditions bringing dance scholarship into conversation with intellectual trends across the humanities The introduction to this second edition brings Manning's groundbreaking work to bear on dance studies today and reconsiders Wigman's career from the perspective of queer theory and globalization further illuminating the interplay of dance and politics in the twentieth century Susan Manning is professor of English theater and performance studies at Northwestern University

Intimate Alien David J. Halperin, 2020-03-24 A voyage of exploration to the outer reaches of our inner lives UFOs are a myth says David J Halperin but myths are real The power and fascination of the UFO has nothing to do with space travel or life on other planets It's about us our longings and terrors and especially the greatest terror of all the end of our existence This is a book about UFOs that goes beyond believing in them or debunking them and to a fresh understanding of what they tell us about ourselves as individuals as a culture and as a species In the 1960s Halperin was a teenage UFOlogist convinced that flying saucers were real and that it was his life's mission to solve their mystery He would become a professor of religious studies with traditions of heavenly journeys his specialty With *Intimate Alien* he looks back to explore what UFOs once meant to him as a boy growing up in a home haunted by death and what they still mean for millions believers and deniers alike From the prehistoric Balkans to the deserts of New Mexico from the biblical visions of Ezekiel to modern abduction encounters *Intimate Alien* traces the hidden story of the UFO It's a human story from beginning to end no less mysterious and fantastic for its earthliness A collective cultural dream UFOs transport us to the outer limits of that most alien yet intimate frontier our own inner space

The Nine-Edged Mirror, Part I: Zavražje Reset Isida Khan, 2025-05-11 The Nine Edged Mirror Part I Zavra je Reset The inaugural essay in The Nine Edged Mirror introduces the haunting intellectual world of Margarita Smolina a solitary researcher whose tragic family legacy in the enigmatic industrial settlement of Zavra je propels her into the metaphysical fringes of science Amidst the phenomenon locally whispered as the Zavra je Reset a systemic erasure cloaked in silence and speculation Margarita s journey evolves into a philosophical odyssey through trauma memory and quantum consciousness Navigating post Soviet scientific institutions and shadowed metaphysical territory she formulates a radical hypothesis that a mysterious cosmological force the Expelled acts as a universal antagonist to structure memory and meaning Infused with elegiac prose and precise conceptual language the essay constructs a deeply layered narrative across several registers biographical realism speculative cosmology and critical metaphysics Smolina s thesis that the human soul may function as a last bastion of ontological coherence against this cosmic deletion catalyses her quiet rebellion against both empirical orthodoxy and philosophical defeatism
