All That Glitters A Jake Laura Mystery:

All That Glitters Michael Murphy, 2015-01-06 In Michael Murphy's rollicking new Jake Laura mystery the hard-boiled writer and the aspiring movie star head for sun-drenched Los Angeles where a cold-blooded murderer lurks behind the scenes. Just arrived from New York Broadway actress Laura Wilson is slated to star in Hollywood's newest screwball comedy. At her side of course is Jake Donovan under pressure to write his next mystery novel. But peace and quiet are not to be had when an all-too-real murder plot intrudes. After a glitzy party the son of a studio honcho is discovered dead from a gunshot wound. And since Jake exchanged words with the hothead just hours before his death the bestselling author becomes the LAPD's prime suspect. In 1930s Tinseltown anything goes. Proving his innocence won't be easy in a town where sex seduction and naked power run rampant. With gossip columnist Louella Parsons dead set on publicizing the charges against him Jake has no choice but to do what everyone else does in the City of Angels: act like someone else. Blackie Doyle the tough-talking fist-swinging womanizing hero from Jake's novels wouldn't pull any punches until he exposed the real killer, nor will Jake to keep the role of a lifetime from being his last. Praise for All That Glitters Jake and Laura really do remind me of Dashiell Hammett's Nick and Nora Charles. They are fun, witty and charming and the novel is filled with the same kind of 1930s Hollywood glamour that made the film of *The Thin Man* such a classic. Popcorn Reads Art imitates life imitates art imitates life with just as terrific results as the first book in this series. The Yankee Club Reading Reality Michael Murphy has pulled off another successful novel with interesting characters, a riveting story and a great setting that transports us back to Prohibition-era Hollywood. The Book Binder's Daughter Murphy has a good thing going with this great new historical mystery series. They're fast-paced and a good look back at an interesting era and the people in it. Joyfully Retired Highly entertaining Mystery lovers, noir fans and lovers of classic movies will really go for this book. The Reader's Hollow I couldn't put this book down. It grabbed me right from the start and I was quickly invested in the characters and their lives. A great read and wonderfully fun characters. Mystery Playground You know how it is when you have the perfect cup? The aroma is great, the perfect balance in taste, it's hot enough to warm your soul but not too hot to burn your tongue and the mug fits perfectly in your hands. All the senses are engaged and you forget the world around you. That is this book to a mystery reader; it has the impeccable balance. Lilac Reviews

[The Halo Conspiracy](#) Michael Murphy, 2021-04-15 In mid-twenty-first-century solving murders hasn't become any easier. Cutting-edge science has created more opportunities for crime than offered solutions. A ruthless technology company threatens to reveal Project Halo, a scientific breakthrough that will change humanity forever. Layers of secrecy conceal cutting-edge robotics, artificial intelligence and even rumors of synthetic humans. Before scientists can correct flaws that threaten the program, someone or something murders the brains behind the project. Michael Murphy's witty, fast-paced sci-fi mystery introduces Lucas Nash, a gritty by-the-book homicide detective thrust into a world he always avoids: high tech. He sifts through a maze of suspects: Rachel, a spirited intern; a brute of a security chief; a treacherous woman.

the murdered man's partner and two ambitious Army officers one found dead in the arms of a married schoolteacher and a Colonel who can't be found A media starved religious leader warns the world against the evils of technology with his beautiful assistant Lucas's one time flame Before uncovering the killer's identity an unlikely romance threatens to derail the investigation and end Lucas's career With pressure mounting from his superiors and the government Lucas must set aside his feelings and solve the murder before technology makes him and humanity the next victims

The Big Brush-off Michael Murphy, 2016-02-09 The irresistible Jake Laura return in Michael Murphy's witty fast paced mystery series perfect for readers of Dorothy Cannell and Christopher Fowler In The Big Brush off the charming and indomitable duo heads to the Midwest to solve a chilling cold case of a young girl's murder Blackie Doyle is dying That's what Jake Donovan's literary agent tells him Sales are falling and the rough draft of Jake's latest Blackie novel doesn't look promising Maybe Jake has been distracted by a recent barrage of real life homicides or by his marriage to the beautiful up and coming actress Laura Wilson now slated for a part opposite Clark Gable himself Whatever the reason Jake decides to return to his roots Which is why he and Laura hop the next train to the small town in Pennsylvania where Jake once worked as a Pinkerton detective Ten years ago the murder of a teenage girl interrupted life in quiet God fearing Hanover The unsolved case has always gnawed at Jake and it seems no coincidence that as soon as he starts digging up old ghosts he's once again writing like a dervish Nor is it surprising that some townfolk would rather see the truth stay buried and maybe even Jake and Laura with it But the glamorous crime solving pair refuse to leave before sorting through a bevy of suspects and at long last nailing the one who almost got away with the not so perfect crime Praise for The Big Brush off This entry in the series is every bit as much fun as the previous books Reading Reality If you like clever repartee mixed with a fun historical whodunit and a bit of glamour mixed in then this series is going to make your day Popcorn Reads Praise for Michael Murphy's Jake Laura mysteries Glittering with a hint of Nick and Nora Michael Murphy's 1930s Manhattan provides a witty setting for murder and mayhem Mary Daheim bestselling author of The Alpine Yeoman on The Yankee Club Jake and Laura are fun witty and charming and All That Glitters is filled with the same kind of 1930s Hollywood glamour that made the film of The Thin Man such a classic Popcorn Reads The third installment in Murphy's series is just as much fun as the first The mystery is full of twists with an ample amount of red herrings suspects and action Mystery Please on Wings in the Dark
