Learning to Teach in the Primary School Teresa Cremin, James Arthur, 2014-02-24. Flexible, effective and creative primary school teachers require subject knowledge, an understanding of their pupils and how they learn, a range of strategies for managing behaviour and organising environments for learning and the ability to respond to dynamic classroom situations. This third edition of *Learning to Teach in the Primary School* is fully updated with reference to the new National Curriculum and has been revised to provide even more practical advice and guidance to trainee primary teachers. Twenty-two new authors have been involved and connections are now made to Northern Irish, Welsh and Scottish policies. In addition, five new units have been included on making the most of your placement, play and exploration in learning, behaviour management, special educational needs, phonics. With Masters-level reflective tasks and suggestions for research-based further reading, the book provides valuable support to trainee teachers engaged in learning through school-based experience and through reading, discussion and reflections as part of a teacher education course. It provides an accessible and engaging introduction to knowledge about teaching and learning that every student teacher needs to acquire in order to gain qualified teacher status (QTS). This comprehensive textbook is essential reading for all students training to be primary school teachers, including those on undergraduate teacher training courses (BEd, BA with QTS, BSc with QTS), postgraduate teacher training courses (PGCE, SCITT) and employment-based teacher training courses (Schools Direct, Teach First), plus those studying Education Studies. This textbook is supported by a free companion website with additional resources for instructors and students and can be accessed at www.routledge.com/cw/Cremin.

Making Sense of Mental Health and Wellbeing in Primary Schools Dusana Dorjee, 2025-11-26. Building on the latest research in developmental neuroscience, this book provides an evidence-based, accessible and practical roadmap for those looking for more effective ways to support primary school pupils' mental health and wellbeing. The guide begins by analysing current approaches before presenting a new, comprehensive framework for mental health and wellbeing curricula in primary schools. Focusing on building up mental health knowledge and key skills of children in a neuroscience-informed and age-appropriate way, the book translates key developmental processes in the mind and brain into learning outcomes, knowledge and skills with focus on Reception stage (KS1) and lower and upper KS2. It lays out a 7-step, trauma-informed pedagogical approach for teaching mental health and wellbeing and provides a plethora of relevant activity examples. Looks at the implementation of the curriculum framework as a whole-school approach in primary schools, including its positioning within wider social contexts. Explains key terms with case studies and

reflection opportunities throughout This innovative book is a must have guide for primary school educators interested in understanding the mental health and wellbeing development of their pupils and finding research based ways to effectively support them long term It is also valuable reading for pastoral leaders in schools mental health professionals and policy makers *Literacy World - Comprehension and Writing Pack* Diana Bentley, Dee Reid, 2002-09-27 This literacy programme for juniors offers fiction poetry and non fiction reading and writing materials for shared guided and group reading and writing and teaching materials Comets should capture the imagination of more able pupils and software integrates ICT with literacy teaching
