and presents practical theories of motivation development and planning for the essential components of a quality PE program. In part II readers examine various curriculum instruction and assessment models and get guidance on planning special events. Part III helps administrators plan new school facilities or renovate existing ones and it presents contemporary concepts in universal design and sustainable environmental design. It also offers ideas on how to incorporate technology including developing online PE courses. Part IV explores communication legal issues and human resources so administrators can learn how to advocate for their programs. Part V explains the fiscal responsibilities inherent in administrative positions and shows how administrators can secure independent funding offering many examples of grants and fundraising opportunities with sample grant applications. Part VI new to this edition explores the integration of content and pedagogy with SEL practices. It also offers legal and practical strategies to enhance the involvement of those who are underrepresented in PE. Each chapter also includes sidebars from professionals who share tips and insights on successful program implementations. To further enhance practical application readers have online access to downloadable forms checklists and other supportive materials. Published with SHAPE America this text offers the solid foundational theory and practices needed for today's challenges in PE administration.
