Adolf Hitler Inside The Mind Of The Fuhrer:

Working Towards the Führer Anthony McElligott, Tim Kirk, 2003 Working towards the Fuhrer brings together leading historians writing on the Third Reich in honour of Sir Ian Kershaw whose own work along with that of the contributors to this volume has done much to challenge and change our understanding of the way Nazi Germany functioned Covering issues such as the legacy of the world wars the female voter propaganda occupied lands the judiciary public opinion and resistance this volume furthers the debate on how Nazi Germany operated Gone are the post war stereotypes of a monolithic state driven forward by a single will towards war and genocide Instead there is a more complex picture of the regime and its actions one that shows the instability of the dictatorship its dependence on a measure of consent as well as coercion which recognises the constraints on political action the fickleness of popular attitudes and the ambiguous ephemeral nature of acclamation and opposition alike This is a remarkable collection of essays by leading historians in the field that will undoubtedly be welcomed by students and lecturers of German History

The War Aims and Strategies of Adolf Hitler Oscar Pinkus, 2005-06-29 Many have commented upon Hitler's inexplicable behavior during World War II He failed to invade England he neglected his air force he engaged enemies on multiple fronts Viewed in terms of Germany's struggle against the West these and other actions made little sense In truth however the war against Western powers had little to do with Hitler's grand plan to conquer Russia and lands to the east of Germany eradicate or enslave their populations and create a vast Teutonic empire In light of this goal Hitler's actions were consistent throughout In line with his dictum of All or Nothing once Hitler failed to defeat Russia in December 1941 he conducted the rest of the war with the sole purpose of inflicting maximum bloodshed and desolation including upon Germany itself Weakened sensing defeat he knew he was a drowning man and he was determined to take friend and foe alike down with him This evaluation of Hitler's objectives in World War II expands upon a theory gaining prominence among historians Hitler's true motive was a crusade against the East and he had little interest in waging war with England much less the United States It examines the different nature of the war on the Eastern and Western fronts the disparate treatment afforded the two groups of POWs and civilians and Hitler's scorched earth policy adopted after his primary objective proved beyond his grasp In poignant painful detail it recreates the Russians devastating four year struggle against Germany which went much further towards ensuring its defeat than any of the comparatively belated Western efforts

Adolf Hitler & Eva Braun Luc Vanhise, 2023-06-05 After a brief investigation in 1945 a British secret agent concluded that Hitler and Braun committed suicide together in the Fuhrerbunker in Berlin shortly before the fall of the German capital and were cremated immediately afterwards although he had no concrete evidence to support this hypothesis Nevertheless this has been the official version ever since Between 1945 and 2009 however testimony and evidence began to emerge that suggested otherwise Luc Vanhise criminologist and retired senior level officer of the Belgian Federal Police conducted a seven year modern police investigation into the death of this notorious couple based on all the original data and traces And

as unlikely as it may sound this investigation shows with absolute certainty that Adolf Hitler and Eva Braun did not die together in the Berlin Führerbunker on April 30 1945 The Devil on Screen Charles P. Mitchell,2015-06-08 The Devil has been represented in many film genres including horror comedy the musical fantasy satire drama and the religious epic and in these works has assumed many shapes and forms This book begins with a discussion of how the devil has been portrayed on stage how that portrayal carried over to the big screen and what are the standard elements of a satanic plot Each entry in the filmography includes year of production running time writer editor cinematographer producer and director evaluative rating annotated cast list plot synopsis overall appraisal and a spotlight on the actor playing Satan *The mind of Adolf Hitler* Walter Langer,1969 Grand Deceptions A. L. Provost,2008-12-23 In 1933 shortly after assuming the office of president Franklin D Roosevelt became convinced that Adolf Hitler would have to be got rid of if there was to be any assured peace in Europe Upon being informed of Roosevelt's veiled threat on July 17 1934 Hitler met with Reichsführer SS Heinrich Himmler Together they hatched a bold plot to assassinate the American president The audacious venture would come to an end on the rain swept deck of German Navy submarine U 575 off the coast of North Carolina shortly after midnight on November 13 1935 This is the story of the fearless Nazi assassin charged with leading this secret mission and the brave German American woman who stood in his way **Hitler's Mountain** Arthur Mitchell,2007 This work examines the political events that took place in Obersalzberg from the 1920s until the U S Army returned control of the area to the German government in 1995 Concentrating primarily on the years when Hitler was in residence it discusses his original acquaintance with Berchtesgaden and focuses on the symbolism of self identity and public perception Provided by publisher **Hitler's Mind** Edleff H. Schwaab,1992-03-30 This book is the most up to date comprehensive analysis of Hitler written by a psychologist Going beyond the reliance on a Freudian interpretation of Hitler's personality Schwaab employs his knowledge of abnormal psychology to penetrate the paranoid world of Hitler and to demonstrate the depth of his mental disturbance The analysis is framed by a poignant personal reflection on Schwaab's experiences and those of his father who was first a follower of Hitler and later one of those who attempted to assassinate him growing up in Nazi Germany and an afterword in which the meaning of Nazism is placed in the context of contemporary developments in a reunited Germany The Life and Death of Adolf Hitler James Cross Giblin,2002 Traces Hitler's life from his childhood in Austria to his final days in Berlin exploring how his promises of prosperity and power along with anti Semitic rhetoric allowed him to lead the nation of Germany into World War II *Roots of Theological Anti-Semitism* Anders Gerdmar,2009 Exploring the link between German biblical interpretation and anti Semitism this book is a fresh comprehensive study of leading German exegetes concluding that although Nazism brought anti Semitic exegesis to a head age old thought structures provided powerful legitimation for oppression
