Advanced English Grammar A Linguistic Approach Chad Langford:

Advanced English Grammar Ilse Depraetere, Chad Langford, 2012-04-26 Depraetere and Langford with 40 years of teaching experience between them present a grammar pitched precisely at advanced learners of English who need to understand how the English language really works without getting lost in the specifics Most linguistically oriented grammars of English can be intimidating and complex On the other hand the more basic practical grammars also available are often not advanced enough This book pulls from linguistic theory all the relevant notions that will enable the language student to fully grasp English grammar After introducing form and function the authors cover verbs nouns aspect and tense modality and discourse Readers are led through the underlying principles of language use with the book presupposing only a basic grasp of linguistic terminology It does not get bogged down in huge amounts of detail and focuses on the crucial issues Full of exercises and with attention paid to moving the reader through their course this is the desk reference grammar of choice for both native and non native English speakers

Advanced English Grammar Ilse Depraetere, Chad Langford, 2025-08-26 With more than 50 years of teaching experience between them Ilse Depraetere and Chad Langford present a grammar pitched precisely at advanced learners of English who need to understand how the English language really works without getting stalled in the complex specifics This textbook pulls all of the relevant ideas from linguistic theory to support the language student to fully understand English grammar After introducing form and function the authors cover verbs nouns aspect and tense modality and discourse Readers are led through the underlying principles of language use with the book presupposing only a basic grasp of linguistic terminology and focusing on the critical issues This new edition includes updated examples from the press to represent a wider breadth of English language publications including examples not only from The Guardian and the New York Times but also from Indian and African publications The new system to cross reference all exercises with the core text in each chapter with discreet marginal notes makes the link between theory and practice more explicit This edition also includes a new appendix of important phrasal verbs at an advanced level Full of challenging exercises and supported by a companion website featuring an extensive answer key a glossary and further exercises for study this is the reference grammar of choice for both native and non native English speakers

Modality in Contact Carmelo Alessandro Basile, 2024-09-02 This book explores the evolution of modal constructions of necessity and obligation in New Englishes Focusing on Singapore English analysis of corpus data reveals lower levels of grammaticalization compared to its lexifier British English This trend is explained through the lenses of a pan stratist model which considers a spectrum of forces influencing the dynamics of contact On the one hand cognitive mechanisms seem to favour the selection of less grammaticalized and more transparent variants from the lexifier On the other hand the substrate is positioned as a background force actively contributing to the selection of new material to address functional gaps in the system

Models of Modals Ilse Depraetere, Bert Cappelle, Martin Hilpert, Ludovic De Cuypere, Mathieu Dehouck, Pascal Denis, Susanne

Flach, Natalia Grabar, Cyril Grandin, Thierry Hamon, Clemens Hufeld, Benoît Leclercq, Hans-Jörg Schmid, 2023-04-27 Modal verbs in English communicate delicate shades of meaning there being a large range of verbs both on the necessity side must have to should ought to need need to and the possibility side can may could might be able to They therefore constitute excellent test ground to apply and compare different methodologies that can lay bare the factors that drive the speaker's choice of modal verb This book is not merely concerned with a purely grammatical description of the use of modal verbs but aims at advancing our understanding of lexical and grammatical units in general and of linguistic methodologies to explore these It thus involves a genuine effort to compare assess and combine a variety of approaches It complements the leading descriptive qualitative work on modal verbs by testing a diverse range of quantitative methods while not ignoring qualitative issues pertaining to the semantics pragmatics interface Starting from a critical assessment of what constitutes the meaning of modal verbs different types of empirical studies usage based data driven and experimental drawing considerably on the same data sets shows how method triangulation can contribute to an enhanced understanding Due attention is also given to individual variation as well as the degree to which modals can predict L2 proficiency level The Oxford Handbook of English Grammar Bas Aarts, Jill Bowie, Gergana Popova, 2020 This handbook provides an authoritative critical survey of current research and knowledge in the grammar of the English language The volume's expert contributors explore a range of core topics in English grammar covering a range of theoretical approaches and including the relationship between core grammar and other areas of language *Critical Psychoanalytic Social Work* Sebastien Ponnou, Christophe Niewiadomski, 2022-11-17 This international and interdisciplinary collection argues for the use of clinical based practices and research in social work bringing together critical psychoanalytic ideas into social work practice to help tackle contemporary issues With a Foreword written by Stephen Webb this book brings together specialists from the main areas of research and clinical practices in social work ranging from psychoanalysis sociology clinical psychology ethnopsychiatry and philosophy Arguing for a movement away from evidence based practice chapters discuss the need for psychoanalytic thought in contemporary social work knowledge how this can be integrated in social work practice and training the challenges faced by training and practicing social workers and the ethical issues relating to clinical based practice Filled with case studies throughout these diverse and rich contributions will make social workers think deeply about advocacy ethics and the systemic changes needed in the field This book will be invaluable reading to training and practicing clinical social workers and mental health professionals interested in social intervention It will also be interesting to psychoanalysts as well as those studying sociology clinical psychology and philosophy *Psychoanalysis for Children with ADHD* Sébastien Ponnou, 2025-05-23 In *Psychoanalysis for Children with ADHD* a group of eminent analysts highlight the positive impact that psychoanalytic work and the clinical space can have on children with Attention Deficit Hyperactivity Disorder Thoroughly researched and informed by decades of work in the field this volume includes contributions from well known scientists and

analysts such as François Gonon and Patrick Landman Each contribution addresses sensitive and complex issues including diagnostic criteria behavioral problems and patterns pharmacological intervention ethical implications and the involvement of parents in treatment Based on empirical data the contributors offer a well balanced critique of standardized approaches to ADHD and make a case for psychoanalysis as an indispensable tool for both the child with ADHD and their caregivers Throughout the book shares the importance of the child having a safe space to explain in their own words their mind body experience Written in accessible language this volume will be of interest to all psychoanalysts and psychotherapists working with children as well as those offering specialized care in a medical or educational setting

The Present-day English Gerund System Charlotte Maekelberghe, 2020-09-21 This study offers a first comprehensive synchronic account of the Present day English gerundial system Most synchronic studies of gerunds have hitherto focused on the verbal gerund scrutinizing its categorial status or comparing it with other non finite clausal structures A systematic comparison with its nominal counterpart however is lacking Based on a detailed empirical analysis of lexico grammar and semantics this study develops an innovative cognitive constructionist model of the English gerund system which depicts the usage profiles of nominal and verbal gerunds in terms of probabilistic trends rather than by means of categorical labels It is shown that a better understanding of the functioning of the English gerund system requires a description that operates on multiple levels accounting for both the abstract construal gerunds can impose on an event as well as the token level constraints on variation between the two gerund types This multifaceted approach it is argued not only offers a new perspective on the configuration of ing forms in Present day English it can also be of relevance to the description of other complex grammatical structures

The Routledge Handbook of Semantics Nick Riemer, 2015-07-30 The Routledge Handbook of Semantics provides a broad and state of the art survey of this field covering semantic research at both word and sentence level It presents a synoptic view of the most important areas of semantic investigation including contemporary methodologies and debates and indicating possible future directions in the field Written by experts from around the world the 29 chapters cover key issues and approaches within the following areas meaning and conceptualisation meaning and context lexical semantics semantics of specific phenomena development change and variation The Routledge Handbook of Semantics is essential reading for researchers and postgraduate students working in this area

Advanced English Grammar A Linguistic Approach Chad Langford Introduction

In today's digital age, the availability of Advanced English Grammar A Linguistic Approach Chad Langford books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Advanced English Grammar A Linguistic Approach Chad Langford books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Advanced English Grammar A Linguistic Approach Chad Langford books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Advanced English Grammar A Linguistic Approach Chad Langford versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Advanced English Grammar A Linguistic Approach Chad Langford books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Advanced English Grammar A Linguistic Approach Chad Langford books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Advanced English Grammar A Linguistic Approach Chad Langford books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the

Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Advanced English Grammar A Linguistic Approach Chad Langford books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Advanced English Grammar A Linguistic Approach Chad Langford books and manuals for download and embark on your journey of knowledge?
