Amazing Arts 20:

Issue #20 , Locust Projects: The 20th Anniversary Retrospective Locust Projects,2019-05-07 The 20th Anniversary Retrospective from Miami's Locust Projects comprehensively documents and celebrates 20 years of groundbreaking contemporary art from the Southeast's leading alternative art space with a playful and sophisticated graphic design. Locust Projects, the Southeast's leading alternative art space, documents its first 20 years in The 20th Anniversary Retrospective. The cutting edge art space offers contemporary visual artists the freedom to experiment with new ideas. Locust's ethos of encouraging exploration and breaking boundaries has at times extended to the very integrity of its physical space: think jackhammered floors. This volume includes a comprehensive visual record of over 150 exhibitions and projects, essays and commentary, a written timeline, and extensive quotes. Included are works by renowned artists such as Daniel Arsham, Hernan Bas, Nathan Carter, Francesca DiMattio, Jim Drain, Jon Pylpchuk, Retna, and Cristina Lei Rodriguez. The book includes text by director Lorie Mertes and board members Steve Lanster and Debra and Dennis Scholl. The innovative book design, like Locust Projects itself, experiments with convention. Visually referencing a calendar, the volume leads readers on a voyage of discovery through the organization's history, with each year's images visually bleeding into the next across French fold pages. The cover's thin strips of images are details from installation photos. This book will appeal to anyone interested in contemporary art, including artists, art lovers, collectors, students, curators, gallerists, and arts administrators. **God of War: 20th Anniversary Retrospective** Rick Barba,2025-07-08 A full color hardcover two book set collecting detailed commentary on the past twenty years of the hit God of War games. War does not measure the strength of a man. Kratos, God of War, Ragnarok. The epic of Kratos was born in blood across the backdrops of Sparta, Olympus, and Hades. The myth grew, weaving between the nine realms of the Aesir, Vanir, and Jotun. Now readers are invited to journey alongside Kratos, mortal creators with a two volume retrospective chronicling the twenty year development of the renowned God of War series. Kratos' saga spans eons and pantheons, and now the creation of those stories can be explored in fastidious detail from inspired conception and dedicated development to masterful performances and trend setting design, all through exclusive and intimate interviews with the creative teams that have lent their passion and talent to the award winning franchise. The God of War 20th Anniversary Retrospective is the perfect book set for fans of the iconic game series and lovers of action adventure games and mythology. The trials and triumphs of the immortal patron of bloodshed all begin here. **20K a Day** Jonathan Green,2017-05-15 New Abridged, Shortened, and Professionally Edited Version.
