Print Proof Press! Z Smith, 2023-04-24 This book guides you through the entire process of getting your first book self published whether it's a low content book or something lengthier. It gives you the knowledge you need to research keywords and competitors, write and format a manuscript, find editors and illustrators, feel confident with copyright, select a publishing platform, upload your manuscript to a platform, design a cover, obtain ISBNs, set pricing, source reviews, make use of artificial intelligence, market your book. The author has worked in the publishing sector for over a decade, half of which was spent working in traditional publishing houses, including at one of the UK's largest publishers. Based on her first self-publishing experience, which was very different to the experience of traditional publishing, she decided to turn her notes from that into this book. The aim is that others can learn not only how to publish their own work but also how to create strategies that will help sell more copies.

Self-Publishing eBooks Josh Williams, 2020-11-17 Do you like to amuse and entertain, inform or teach? Or do you have a great book in mind but don't know how to bring it to life? Did you get frustrated by the traditional literary agents who take forever to get your book approved or other traditional publishing gatekeepers who make you almost want to give up on the idea of publishing a book at all? Or are you only looking for a side business you can do that can make you an extra 1000 in passive income per month? Or do you dream to live with zero worries, eating you up and no stress about finding a new job or taking your time off work to move or having worries about your paycheck because you have a system that makes you money even while you sleep? If yes, this is the best book for you. I get you. I have been in your shoes and experienced the same, so I decided to write this book to teach you everything about Self Publishing and help clear all your doubts and get you started right away. Besides, I have successfully published several best-selling books, and I know what you should do to avoid pitfalls and get you the right result. I will be sharing with you my wealth of experience in this book so you can do as good as I am or even better. In this book, I will teach you Self publishing basics, how to get started and grab the maximum profit. How to do research and check if there is a hungry market for your book. How to write a book on a subject you know nothing about. How to hire ghostwriters, work and manage them effectively for optimum results. How to format your book without having to buy any tools or hire someone to do it for you. How to determine your writing needs, assign resources to create and market your book while ensuring that it is being displayed to the right audience. In all, I'll teach you the A-Z of self publishing, from solving your dilemma of self publishing to clearing your doubts and questions and finally guiding you to publish your masterpiece successfully. This book will be your best pal on your way to financial independence.
