Royer,2018-08-21 When I started thinking about building a Faith based curriculum for the early childhood classroom my goal was to create a curriculum that would catch the interest of children 0 Kindergarten See I have worked in the early childhood classroom for almost two decades and while the goal is at the heart of the curriculum I have used the interest it has sparked in our young ones is mild and dulled down at best How can we best instill an excitement to learn in our young ones By making the material and manipulatives hands on and exciting I don t mean by reading a story and pulling out paper puppets on craft sticks although this may be what some children like and want to explore What I mean is presenting values and morals in an explorative manner in conjunction with developmentally appropriate learning standards that help engage your students in learning experiences while getting them excited Including stories and sensory materials story buckets role playing with dress up materials including a variety of mixed media to spark your student s interests is absolutely necessary Create an environment that appeals to learners of various ages backgrounds and learning styles Make your lesson times fun and interesting and your learners will gravitate back for more **The Sacredness of Secular Work** Jordan Raynor,2024-01-30 From a leading voice in the faith and work movement and author of *Redeeming Your Time* comes

the revolutionary message that God sees our daily work in whatever form it takes with far more value than we ever imagined. The Sacredness of Secular Work does an extraordinary job of being both personally relevant and more importantly biblically faithful. Randy Alcorn, New York Times bestselling author of *Heaven*, asks: Does your work matter for eternity? Sadly, most believers don't think so. Sure, the 1 percent of the time they spend sharing the gospel with their co-workers matters. But most Christians view the other 99 percent of their time as meaning very little in the grand scheme of things. But that's not how God sees it. Jordan Raynor, a leading voice in the faith and work movement and bestselling author, offers a revolutionary message about how our daily jobs, from baristas and entrepreneurs to stay-at-home parents and coaches, have intrinsic and eternal value. In *The Sacredness of Secular Work*, he reveals unexpected ways our work truly matters. In these pages, you'll discover how a low regard of our work limits our understanding of God and His Kingdom. Inspiring ways your work can reveal God's kingdom on earth here and now. Surprising strategies for ensuring your vocation has an eternal legacy. Vital insights on what God's view of work tells us about heaven. Combining research, Scripture, and storytelling, Jordan Raynor proves that work in its diverse forms is one of the primary activities that brings God delight. This biblical perspective will set you free to pursue your passions and skills and perhaps for the first time experience the Creator's delight in the work of your hands.

Worship For Everyone Nick Drake, Becky Drake, 2021-06-17 Multi-generational worship is important for most church leaders, worship teams, and children's workers, but how can you truly engage everyone so that all-age worship can thrive in your church? *Worship for Everyone* offers an inspiring vision crucial for bringing longevity and life to all-age worship, as well as a practical guide bursting with ideas and resources. Nick and Becky Drake, pioneers in multi-generational worship ministry, provide a theology for bringing all ages together that draws on their years of experience.
