The Excursion T.O. Paine, 2022-10-23 ESCAPE WAS NEVER AN OPTION The end blew my mind I did not see that coming Readers Favorite Charly Highsmith is a survivor Abandoned by her parents she spent her teens looking after her autistic brother on the bitter streets of Denver Colorado with nothing but a jacket and a backpack But things are better now Charly and Jacob live in a two bedroom apartment near a mall and with the passing of their long lost father they ve inherited a cabin high in the Rocky Mountains Charly s eager to go there Relive the good times she had as a child running through the forest with Jacob and her cousins Amanda the Overachiever Cam the Recluse But when they arrive the cabin isn t empty Barry the Millionaire Kennedy the Social Media Magnet Randall the Hunter Standing by the fireplace Charly sees that look in her neurodivergent brother s eyes There are too many people He s going to run He s going to burst into the unforgiving snowstorm sprint around the frozen lake and hide in the forest like he did when they were young So much for reliving the good times Randall the Hunter goes to the window Opens the curtains The blizzard rages outside He says no one is leaving He says nothing will stop the hunt Nothing will stop the excursion The Excursion promises a one way ticket on an obsessive journey that is creepy compelling and wholly consuming Indies Today Get Your Copy Today

Design Engineering and Science Nam Pyo Suh, Miguel Cavique, Joseph Timothy Foley, 2021-10-25

Design Engineering and Science teaches the theory and practice of axiomatic design AD It explains the basics of how to conceive and deliver solutions to a variety of design problems The text shows how a logical framework and scientific basis for design can generate creative solutions in many fields including engineering materials organizations and a variety of large systems Learning to apply the systematic methods advocated by AD a student can construct designs that lead to better environmental sustainability and to increased quality of life for the end user at the same time reducing the overall cost of the product development process Examples of previous innovations that take advantage of AD methods include on line electric vehicle design for electric buses with wireless power supply mobile harbors that allow unloading of large ships in shallow waters microcellular plastics with enhanced toughness and lower weight and organizational changes in companies and universities resulting in more efficient and competitive ways of working The book is divided into two parts Part I provides detailed and thorough instruction in the fundamentals of design discussing why design is so important It explains the relationship between and the selection of functional requirements design parameters and process variables and the representation of design outputs Part II presents multiple applications of AD including examples from manufacturing healthcare and materials processing Following a course based on this text students learn to create new products and design bespoke manufacturing systems They will gain insight into how to create imaginative design solutions that satisfy customer needs and learn to avoid introducing undue complexity into their designs This informative text provides practical and academic insight for engineering design students and will help instructors teach the subject in a novel and more rigorous

fashion Their knowledge of AD will stand former students in good stead in the workplace as these methods are both taught and used in many leading industrial concerns

The Abduction T.O. Paine,2023-11-22 She should never have gotten into his car Marcus Crawford doesn't want to go back to jail They shouldn't have sent him there in the first place because it wasn't his fault It was an accident Everyone except the jury agreed The only good thing that came from his incarceration was meeting Crystal She sent him letters She supported him After his release Marcus Crystal and her precious nine year old daughter from a previous marriage Hannah became a family But before they could marry Marcus discovered a needle in Crystal's gym bag Crystal lied about where she'd been Her makeup failed to cover the blossoming red spots on her cheeks He attempted to support her the way she'd supported him in prison but her addiction to drugs won She ended their relationship Now months later a man in a stolen car waits outside an elementary school in Elko Nevada He's waiting in the hot sun for the bell to ring He's waiting for a little girl named Hannah to come out He's waiting to abduct her Crystal's substance abuse has only gotten worse since the break up She's not capable of saving Hannah now Hannah needs someone like Marcus to save her but thanks to Crystal's meth addiction he's no longer in Hannah's life The school bell rings Hannah comes out The man opens the door to his car and she gets inside Buy Now to find out where he takes her
