The American Civil War and the Hollywood War Film John Trafton, 2016-04-29 Throughout film history war films have been in constant dialogue with both previous depictions of war and contemporary debates and technology War films remember older war film cycles and draw upon the resources of the present day to say something new about the nature of war The American Civil War was viscerally documented through large scale panorama paintings still photography and soldier testimonials leaving behind representational principles that would later inform the development of the war film genre from the silent era up to the present This book explores how each of these representational modes cemented different formulas for providing war stories with emotional content *A Teacher's Guide to Supporting Gifted Middle School Students* DJ

Graham, 2023-04-04 *A Teacher's Guide to Supporting Gifted Middle School Students* provides insight to help you gain a better understanding of your gifted students during a pivotal time in their development Employing pop culture personal stories and prompts for reflection this text considers major factors impacting gifted middle school students including self image the need for differentiated content the importance of slowing down the value of mentors and ways to instill hope during this more often than not difficult time Full of practical examples for how you can work to address both the academic and social emotional needs of your students this book champions middle school as an important time for self discovery and developing passions Engaging and informative this inspiring new book is a must read for all teachers seeking to positively influence their students during this unique and critical time in their lives **Teaching the American Civil Rights**

Movement Julie Buckner Armstrong, 2002 The past fifteen years have seen renewed interest in the civil rights movement

Television documentaries films and books have brought the struggles into our homes and classrooms once again New evidence in older criminal cases demands that the judicial system reconsider the accuracy of investigations and legal decisions Racial profiling affirmative action voting districting and school voucher programs keep civil rights on the front burner in the political arena In light of this there are very few resources for teaching the civil rights at the university level This timely and invaluable book fills this gap This book offers perspectives on presenting the movement in different classroom contexts strategies to make the movement come alive for students and issues highlighting topics that students will find appealing Including sample syllabi and detailed descriptions from courses that prove effective this work will be useful for all instructors both college and upper level high school for courses in history education race sociology literature and political science

The Next American Civil War Lee Harris,2010-05-11 The tea parties the guns at town hall meetings the protests against health care reform and the general unrest in America today have taken many people by surprise Some interpret it in terms of economic hard times but Lee Harris offers a different explanation Today s populist revolt is only the latest installment of an ongoing cultural war that began long before the current economic crisis It is a rebellion against a self appointed intellectual elite whose attitude to the average American is Don t worry we know what is best for you For Harris the stakes in the current struggle are high Will America be ruled by ivory tower liberals or will it remain the land in which ordinary men and women are free to make their own choices and control their own destinies Throughout our history Americans have always challenged the definition of liberty and this has allowed us to progress as a society Harris argues that this debate is good and necessary and that we must take this new populist uprising seriously if we are to defend our founding principles A masterly and visionary work that weaves current events with philosophical investigation The Next American Civil War rethinks Americans most elemental ideas of freedom in order to enable the people of the United States to face the challenges of our times

The American Civil War of 2018 Brandon M. Larson, 2011-09-29 The year is 2018 the world is in economic and political chaos and the United States of America has once again been divided by Civil War The Democratic and Republican political parties have become much more than just political parties They now represent the struggle between capitalism and socialism This struggle led to the eventual division of the United States of America in 2017 Republicans Tea Party supporters Libertarians and some Moderate Democrats fled south and formed the Southern Republic of America to end the corruption and influence of the federal government Continued tax hikes high unemployment hyperinflation and a failing economy sent millions of Americans and most States into bankruptcy When the people finally had enough of big government they made their voices heard The Southern Republic of America was founded using the Constitution and the Bill of Rights as they were interpreted before they were manipulated or ignored by the United States Government However the United States Federal Government is now on the offensive and ready to put down the peaceful secession In an effort to weaken and slow the United States Military the Southern Republic of America's government enlisted the help of a Special Forces team called Task Force 24 This extraordinary group of men and women are some of the best handpicked specialists in the world Their daunting mission is to slow down the United States Military by any means necessary before the meaning of freedom liberty and justice for all is lost forever under the socialist government of the United States of America
