American Government Roots And Refoem 12th Edition:

The 25 Issues that Shape American Politics Michael Kryzanek, Ann K. Karreth, 2017-10-02 This book is organized to examine the major subjects taught in American politics through the lens of twenty five hot button issues affecting American politics and policy today These key issues reflect the ideas principles concerns fears morals and hopes of the American people The authors argue that these issues are the heart and soul of the American political system serving as the basis for the disagreements that drive citizens public servants and elected officials into action Features of this Innovative Text Examines 25 issues in light of the 2016 presidential election and beyond Up to date chapters reflect important developments in the arenas of immigration health care race relations and civil rights gun control gay rights and money and politics in particular Includes international coverage with recent and ongoing events surrounding Iran Syria Israel and Palestine and China A chapter on Russia puts recent developments in Syria Ukraine Crimea and the near abroad in context with US foreign policy American Government, 2016 American Government Karen O'Connor, Larry Sabato, 2018 **Forthcoming Books** Rose Arny, 1999 **Essentials of American Government** Karen O'Connor, Larry Sabato, Alixandra B. Yanus, 2011 □□□□□□, 1996 **Partisan Nation** Paul Pierson, Eric Schickler, 2024-09-05 A provocative exploration of how America's democratic crisis is rooted in a dangerous mismatch between our Constitution and today's nationalized partisan politics The ground beneath American political institutions has moved with national politics subsuming and transforming the local As a result American democracy is in trouble In this paradigm shifting book political scientists Paul Pierson and Eric Schickler bring a sharp new perspective to today's challenges Attentive to the different coalitions interests and incentives that define the Democratic and Republican parties they show how contemporary polarization emerged in a rapidly nationalizing country and how it differs from polarization in past eras In earlier periods three key features of the political landscape state parties interest groups and media varied locally and reinforced the nation's stark regional diversity But this began to change in the 1960s as the two parties assumed clearer ideological identities and the power of the national government expanded raising the stakes of conflict Together with technological and economic change these developments have reconfigured state parties interest groups and media in self reinforcing ways The result is that today's polarization is self perpetuating and intensifying Partisan Nation offers a powerful caution As a result of this polarization America's political system is distinctly and acutely vulnerable to an authoritarian movement emerging in the contemporary Republican Party which has both the motive and the means to exploit America's unusual Constitutional design Combining the precision and acuity characteristic of their earlier work Pierson and Schickler explain what these developments mean for American governance and democracy *American Government: Roots and Reform*, **American Government + MyPoliSciLab With Pearson eText** Karen J.
