American Theological Inquiry ATI reaches thousands of Christian scholars clergy and other interested parties primarily in the U S And U K The journal was formed in 2007 by Gannon Murphy PhD Theology Univ Wales Lampeter Presbyterian Reformed and Stephen Patrick PhD Philosophy Univ Illinois Eastern Orthodox to open up space for Christian scholars who affirm the Ecumenical Creeds to contribute research throughout the broader Christian scholarly community in America And The West The purpose of ATI is to provide an inter tradition forum for scholars who affirm the historic Ecumenical Creeds of Christendom to constructively communicate contemporary theologies developments ideas commentaries and insights pertaining to theology culture and history toward reforming and elevating Western Christianity ATI seeks a critical function as much or more so as a quasi ecumenical one The purpose is not to erase or weaken the distinctives of the various ecclesial traditions but to widen the dialogue and increase inter tradition understanding while mutually affirming Christ s power to transform culture And The importance of strengthening Western Christianity with special reference to Her historic creedal roots Theologians would be theologians And The theologically attentive will want to check out American Theological Inquiry Richard John Neuhaus 1936 2009 First Things Sadie Brower Neakok Margaret B. Blackman, 1992 This biography of Sadie Brower Neakok of Barrow northern Alaska records the life of the daughter of an Inupiaq mother and a white father and her successful blending of Eskimo and white traditions in the service of her community The text uses the oral history method of recording information and includes a map and contemporary photographs M. Erceg, 2005-11-01 The manual is standard practice from Tivo to tent pitching yet blatantly omitted when we give birth and arrive on Earth We are here now with no manual swimming in a sea of peripheral information our most basic and primordial questions left unanswered Who are we Why are we here Just as we use a guidebook when visiting a new country for the first time so too do we value a guidebook during our stay on Earth The Book of Life Questions Answers takes us under its wing on an inspiring compelling behind the scenes tour of our world into the depths of our consciousness navigating the mentality creating the various arenas of our society By tying together the threads comprising these sectors in a way we can all understand we begin to make sense of why we relate to each other as we do why friction persists at the cost of global peace and grasp solutions along our journey through the book The shrouded seemingly complex reasoning driving our human actions is finally untangled and quite beautifully unraveled The curtains are swept back to plainly reveal how we have unconsciously created the framework of society as we know it today Billboard , 1997-02-01 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends
