Publication, 1993 **Biographical Supplement and Index**

David M. P. Freund, 1997-04-24 The 10 volumes of The Young Oxford History of African Americans describe how black Americans shaped and changed the history of this nation Starting in 1502 more than a century before the day in 1619 when 19 Africans stepped off a Dutch ship in Jamestown Virginia the series ends with the relationship between West Indian immigrants and African Americans in large cities like New York in the late 20th century This ready reference provides the

perfect ending to a comprehensive history of African Americans Included are the master index for the series and an extensive list of historic sites and museums related to the history of African Americans The bulk of the volume however contains the personal histories of many of the people who appear in the previous 10 volumes Each biography takes a close look at the famous and the lesser known revealing the backgrounds experiences and contributions of African Americans who were involved in the key events in American history In addition to well known facts the biographies include much here that will surprise and fascinate readers Muhammad Ali s brash and playful public persona earned him the nickname the Louisville Lip Bill Cosby got his start while working in a Philadelphia coffee house and Madam C J Walker owned a mail order and beauty school company that became one of the most profitable independently owned businesses in the country around 1910 The portraits are as varied as the history itself setting former slaves next to committed civil rights workers prize winning poets next to successful politicians Volume 11 of The Young Oxford History of African Americans completes the fascinating and compelling story of nearly five centuries of African American history It is an exceptional resource for young adults and all who value the remarkable accomplishments of African Americans
