Guide Wilbur Morrison, 2011-04-15 California's magnificent Sierra Nevada mountain range packs a punch when it comes to adventuring. Join local author Wilbur Morrison as he walks you along the Pacific Crest Trail and the John Muir Trail through King's Canyon up to the top of Mount Whitney and swimming in Lake Tahoe. Offering tips on exploring this fantastic area alone, Morrison also lists local outfitters who can help you plan a horseback riding trip, a hike, a biking excursion, or an overnight trek. Amazon customer Includes maps and photographs. Between Mt. Whitney and Lake Tahoe is the true Sierra Nevada, a land of granite, glacial ice, and alpine lakes. Here you will find forests of giant sequoias, wildflowered meadows, and steep V-shaped river canyons. Among the areas this guide explores: The Eastern Sierra including Mammoth Lakes and Mono Lake, Nevada, and Lake Tahoe; The Western Sierra encompassing Gold Country, Yosemite, Kings Canyon, Sequoia, and the Sierra National Forest. You'll read about the local history and get basic travel information from contact numbers and addresses for tourism bureaus and outfitters, to airlines and rental cars. You'll discover the towns and attractions, including the best lodging and dining spots. The adventure sections are packed with detailed advice on how to explore the region on foot, on horseback, on water, on wheels, and on snow. Outdoor Leadership Bruce Martin, Mary Breunig, Mark

Wagstaff, Marni Goldenberg, 2024-04-30 Outdoor Leadership Third Edition With HKPropel Access introduces students to a wide variety of theories and concepts that are integral to the understanding of outdoor leadership and it demonstrates how these concepts come to life in the field. Written by a team of internationally recognized authors, the text introduces eight core competencies that are essential to outdoor leadership: Foundational knowledge, Self-awareness and professional conduct, Decision making and judgment, Teaching and facilitation, Environmental stewardship, Program management, Safety and risk management, Technical ability. The third edition of Outdoor Leadership effectively positions students to develop the knowledge and expertise required to excel as outdoor leaders. Along with updated references, learning activities, and chapter opening vignettes, the third edition offers the following new features: New content on intersectionality and the importance of universal design; A look at the contribution of outdoor recreation to the economy; An examination of transformative learning and updated material on interpretive programming; Expanded content on the importance of protecting ecological resources. The text begins with the foundations of outdoor leadership: the historical and philosophical foundations of the profession and the nature of outdoor leadership as a professional practice. Historical and contemporary theories of leadership and the practical application of these theories are examined, facilitating a discussion of the roles that decision making and judgment play in real life. The text then explores the role of teaching and facilitation in outdoor leadership. Topics such as natural resource management, environmental sustainability, and program management, including program administration, safety, and risk management, expedition planning, and program evaluation, are addressed. Each chapter opens with a vignette that illustrates the practical application of outdoor leadership concepts so that students recognize the importance of the material. Throughout the text, students are introduced to various types of organizations and agencies in which outdoor leaders work.

Learning activities and professional development exercises within the text encourage readers to engage in a process of self reflection and to draw connections between theory and practice Glossary flashcards and relevant forms are available via HKPropel As students progress through the text they will create a professional portfolio that demonstrates their competency and showcases their talents Outdoor Leadership Third Edition With HKPropel Access is the definitive text for developing student leadership in outdoor and adventure settings This useful resource will help aspiring outdoor leaders plan safe enjoyable and ecologically responsible expeditions acquire and showcase their leadership abilities and develop knowledge and expertise Note A code for accessing HKPropel is included with this ebook *Mountaineering: The Freedom of the Hills, 10th Edition* Mountaineers Books, 2024-09-01 The definitive guide to mountains and climbing Conrad Anker More than 800 000 copies sold since the first edition was published in 1960 and translated into 12 languages Detailed instructions and hundreds of illustrations share the latest in best practices Researched and written by a team of expert climbers guides and instructors Mountaineering The Freedom of the Hills is the most significant guidebook ever published Born from the handwritten climbing tips of early volunteers of the Seattle based Mountaineers organization this fundamental how to manual has inspired emerging climbers around the globe across nine editions for more than six decades Mountaineers Books is proud to present the 10th edition of this master guide commonly referred to as Freedom From planning a weekend backpacking trip to navigating the logistics of a months long alpine expedition from tying knots and hitches to essential belaying and rappelling techniques from setting up camp in the wilderness to summiting glaciated peaks this comprehensive textbook written by climbers for climbers covers it all **Bugaboo Dreams** Topher Donahue, 2012-02-01 Take the snowiest mountains in Canada add two Austrian immigrants an army of adrenaline addicted skiers kings queens billionaires average people and everyday ski bums and throw a helicopter into the mix for an unforgettable story of mountain adventure The tale begins when two childhood friends Hans Gmoser and Leo Grillmair leave postwar Austria and travel to Canada in search of adventure They stumble upon employment taking skiers across the vast glaciers and through the thick forests of Western Canada When skiers start asking the immigrant mountaineers if it would be possible to use a helicopter to reach the best high altitude powder the two find themselves catapulted into a project brimming with more adventure success tragedy and fame than they could have dreamed Complete with archival and contemporary photos this is the inside story of the people thrills accidents and innovations behind the evolution of a sport from a dangerous ramshackle and lawless enterprise into a multi million dollar industry offering reliable access to one of the world s most exciting forms of recreation Que's Official Internet Yellow Pages Joe Kraynak, 2005 Information online is not stored or organized in any logical fashion but this reference attempts to organize and catalog a small portion of the Web in a single resource of the best sites in each category
