Historic Timeline: A historical timeline is a method of highlighting important historical dates, events, figures, and even as in chronological order. Historical timelines can be very broad or very specific.

Create your own Historic Timeline for this period in history

The diagram shows a central horizontal timeline line. Five vertical lines extend upwards from the timeline, each connected to a rectangular box. Four vertical lines extend downwards from the timeline, each connected to a rectangular box. Each box has a small header section at the top, likely for a date or event name. The boxes are intended for students to write their own historical events from Ancient Egypt.
