Bachman, 1995-03-16 This book documents a major study comparing the Cambridge First Certificate in English FCE with the Test of English as a Foreign Language TOEFL to investigate similarities in test content candidature and use While both tests were designed to measure many of the same abilities they represent radically different approaches to language test development reflecting deeper differences between educational measurement traditions in the US and UK The thorough investigation of the fundamental characteristics and operational utility of two of the most widely used English tests for foreign students makes this study a valuable contribution to language testing research

As such it will be of considerable interest to language testing specialists and examination boards as well as to academic researchers and graduate students in the field of language assessment more generally **Test of English as a Foreign Language Internet-Based Test Prep Plus, 2018-2019** Kaplan Publishing, 2017 Provides strategies tips and four practice tests covering listening reading writing and speaking skills and is thematically arranged by history science education business social science arts technology and entertainment
