

5 Answers to: "Desired Salary?"

\$

\$

\$

1.

I don't have a specific salary requirement, but my pay has been between about \$20-\$30 thousand in the past few years.

2.

I'm flexible and open to discuss a reasonable compensation package, but my salary has been \$100-\$120,000 recently.

3.

Based on my range and my experience, I'm open to discussing [insert range]. (Pro tip: Research to make sure your lowest range is their highest).

4.

That depends on factors we haven't discussed yet, like benefits and many intangibles...what range do you expect to bring someone in with?

5.

Before I offer you my salary range, can you tell me more about the responsibilities and goals?
