Journeys in Social Education: A Primer C. White, 2011-07-23 Social education is quite a journey Given the ongoing debate and struggle with defining social education the following is at present a working definition While we resist defining social education we believe that social education emphasizes three areas of study critical pedagogy cultural media studies and social studies education We also stress that education interpreted broadly has the potential to advance social justice Thus emerged social education a lifelong journey for all of us to question to challenge to do and to create Connecting present and past merging current issues with traditional curriculum integrating alternative texts and perspectives empowering and emancipating kids and educators and transforming schools and society the transgressions of social education scream out Dewey Freire Kincheloe Zinn Greene Giroux Apple hooks McLaren Kozol Loewen Said Chomsky even Bob Dylan and many others have provided the impetus May we make them proud The essays within this text demonstrate various journeys in social education They are meant as stories not maps or scripts They are intended to serve as a primer of sorts for those interested in a similar journey Hopefully this can be a meaningful experience for many students educators parents and society as a whole of course Well the journey and struggle continues
