Sub: Thank you letter

Dear sir,
I would like to thank you for providing me an opportunity to appear in interviews of college admissions. I am interested in engineering research since my childhood and I have developed several projects and prototypes and submitted it's details to the interviewer at college. I request you to go through my research projects and provide me an opportunity to study at your college. I assure you to give my best efforts in research if I get a chance to study at High world engineering college.

Thanks,
