What is e-book?

Nicolae Sfetcu, 2014-05-10 The e-book guide for publishers: how to publish EPUB format, ebook readers, and suppliers. An electronic book, also e-book, ebook, electronic book, digital book, is a book-length publication in digital form consisting of text, images, or both, and produced on, published through, and readable on computers or other electronic devices. An e-book can be purchased, borrowed, downloaded, and used immediately, whereas when one buys or borrows a book, one must go to a bookshop, a home library, or public library during limited hours or wait for a delivery. Electronic publishing or ePublishing includes the digital publication of e-books and electronic articles and the development of digital libraries and catalogues. EPUB, short for electronic publication, alternatively capitalized as ePub, ePUB, Epub, or epub, with EPUB preferred by the vendor, is a free and open e-book standard by the International Digital Publishing Forum (IDPF). Self-publishing is the publication of any book or other media by the author of the work without the involvement of an established third-party publisher. One of the greatest benefits brought about by ebooks software is the ability for anyone to create professional
