Notjohn's Guide to E-Book Formatting N.J. Notjohn, 2017-01-01 The self-publisher's bible In this clear and entertaining ten-step guide now in its eighth edition a

prolific American author tells how he formats his books using free software for upload to online bookstores The secret he explains is to use the universal epub format to create a single e book file that will be accepted by every digital retailer from Amazon com through Barnes more often it doesn t because these programs litter the file with hidden formatting The result can be a disaster Instead the word processing document should be converted to clean HTML the markup language used to create a web page All e books are web pages at heart and the Kindle and other e book readers are just special purpose web browsers The conversion from document to HTML file takes seconds It can then be plugged into a simple template that Notjohn includes in this Guide and also makes available on his blog for anyone to use He also supplies a style sheet to format the book for best appearance on the Kindle Fire tablet the various Kindle apps as well as on competing tablets and e book readers If all else fails there s Plan B a stripped down template for novels and for non fiction that consists mostly of text He concludes with a chapter on how best to present your e book on the Kindle platform with hints on encrypting the book copyrighting it and pricing it for the greatest return And new this year a chapter on adapting the e book to a print edition With illustrations and screenshots Revised and updated 2017edition **It's All Up to Me** Ray Alan Seamons,2011-06-08 Parent teacher training handbook in the 8 Virtues Program of the SamiTales Series Based upon the writings of Dr Ray Alan Seamons Child of Virtue
