American Macbeth The Overthrow Of Abraham Lincoln:

American Macbeth James Theres,Tim Schnese,2014-11-04 In November 1862 Union General George McClellan marches on Washington and overthrows President Abraham Lincoln not to save the country but to save his wife Adapting Macbeth William C. Carroll,2023-08-24 In this study William C Carroll analyses a wide range of adaptations and appropriations of Macbeth across different media to consider what it is about the play that compels our desire to reshape it Arguing that many of these adaptations attempt to improve or correct the play s perceived political or aesthetic flaws Carroll traces how Macbeth s popularity and adaptability stems from several of its formal features its openly political nature its inclusion of supernatural elements its parable of the dangers of ambition its violence its brevity and its domestic focus on a husband and wife The study ranges across elite and popular culture divides from Sir William Davenant s adaptation for the Restoration stage 1663 4 an early 18th century novel The Secret History of Mackbeth and Verdi s Macbeth through to 20th and 21st century adaptations for stage and screen as well as contemporary novelizations young adult literature and commercial appropriations that testify to the play s absorption into contemporary culture The Oxford Handbook of Shakespeare Arthur F. Smith,2010-02-01 Lady Macbeth has haunted American history since the conflicts of Shakespeare s England spilled over into New England s real witch hunts To reveal how Lady Macbeth entered American politics as an icon for the First Lady this investigation focuses on the prominent actresses in the role how they performed and their effect on audiences anxious about the country s First Lady and her influence over the President especially at times of war Smith ably shows how the various Lady Macbeths have both reflected and shaped the image their contemporaries have of the ambitious political wife producing parallels that converge dramatically in twentieth century witch hunts **President Lincoln's Attitude Towards Slavery and Emancipation** Henry Watson Wilbur,1914 *Abraham Lincoln Campaign Newspapers 1860 - 1864* , 518 pages of Abraham Lincoln campaign newspapers from the elections of 1860 and 1864 Many newspapers at the time took specific and clearly partisan

positions which were often reflected in the names of the newspaper. The newspapers in this collection go beyond just a partisan political bias. These newspapers were created and existed only to get Abraham Lincoln elected or re-elected President, then ceased publication after the election. Election 1860. In 1860 there were three mainstream political parties in the United States: Republican, Democratic, and the new Constitutional Union party. The Democratic Party split into two over the issue of slavery, making 1860 a four-way race. In 1860, Abraham Lincoln was the least known of all candidates seeking the nomination of the Republican Party. Best known and leading the Republican pack was United States Senator, former governor of New York, and future United States Secretary of State William H. Seward. Second was Ohio governor and future United States Secretary of the Treasury Salmon P. Chase. Third was Missouri lawyer, politician, and future United States Attorney General Edward Bates. Fourth was Horace Greeley, founder and editor of The New York Tribune, former member of the U.S. House of Representatives from New York's 6th district, and in 1872 the founder of the Liberal Republican Party. Fifth was Illinois lawyer and former member of the U.S. House of Representatives from Illinois 7th district, 1847-1849, Abraham Lincoln. A former Whig party member, Lincoln became engaged in Illinois state Republican Party politics in 1854. At the 1856 Republican National Convention, the nominating process for the Vice President spot on the party's ticket ended with Lincoln coming in second place. In 1858, Lincoln sought to replace the incumbent Democrat, United States Senator from Illinois Stephen A. Douglas. The two clashed during a series of seven debates. In 1858, United States senators were elected by their state legislatures. Democrats won a slight majority of seats in the Illinois General Assembly in 1858. The legislature then re-elected Douglas. Despite his loss due to internal party politics, Lincoln gained popular publicity from his performance during the Lincoln-Douglas debates, which allowed him to enter the pack of Republican candidates in 1860. One by one, the Republican candidates fell away. The consensus was that Greeley was too unpredictable, Bates was too old, and Chase did not possess political skills. Lincoln won out over Seward. Seward's outspokenness on the spread of slavery made many believe that he was too radical on the issue. Lincoln was seen as a moderate when it came to slavery; also, it was hoped that since he was from Illinois, he would appeal to voters in the west. The Democratic Party split into two during its national convention in Charleston, South Carolina, in April 1860. The leading Democratic candidate was Illinois Senator Stephen Douglas. Douglas advocated popular sovereignty, where the majority within a state would decide if slavery was to exist in that state. This angered most Southern Democrats, who wanted the right to hold slaves guaranteed in the western territories and future states. Delegates from eight southern states withdrew from the convention and nominated their own candidate, Vice President of the United States John C. Breckinridge. A group of conservative former Whigs, along with Know-Nothing party members and some Southern Democrats who were against secession, joined to form the Constitutional Union Party. In their platform, they strongly spoke out against disunion and avoided the issue of slavery. They nominated former United States Senator from Tennessee John Bell. On Election Day, Tuesday, November 6, 1860, Republican Lincoln received 39.9 percent of the popular

vote Northern Democrat Douglas 29 5 percent Southern Democrat Breckinridge 18 1 percent and Constitutional Unionist Bell 12 5 percent In the Electoral College Lincoln received 180 electoral votes Breckinridge won 72 of the 303 total available electoral votes Election 1860 Newspaper The Freeport Wide Awake 52 pages of the Freeport Wide Awake constituting 13 issues dating from August 18 1860 to November 17 1860 This weekly campaign newspaper was published between the time of the Chicago Convention and after the election in November it supported Abraham Lincoln and Republican candidates The newspaper s slogan was No slumber till the battle is won Three other newspapers were published in 1860 with Wide Awake in their title in Providence De Witt Iowa and Akron Only one copy of any of the issues of these other Wide Awake newspapers is known to still be in existence In the 1850 s the Republican Party organized marching clubs made up of young men across the United States In 1860 a number of Wide Awake Clubs were organized to support Abraham Lincoln The Wide Awakes adopted a paramilitary style Members wore black glazed hats oil cloth capes to protect themselves from flames and carried six foot long torches with a whale oil canister at its top Wide Awakes held rallies where they marched with their torches lit singing political campaign songs and reciting campaign slogans Also included in this collection is a four page circular produced by the Albany New York Republican Wide Awake Club regarding the uniform and the organization of the club Election 1860 Serial Tract Lincoln and Liberty 38 pages of the tract Lincoln and Liberty constituting 10 issues dating from June 19th 1860 to October 2 1860 This serial was published by the Young Men s Republican Union of the City of New York The Young Men s Republican Union sponsored a lecture given by Lincoln on February 27 1860 at the Cooper Union in New York City The Cooper Union speech would be regarded by many including eminent Lincoln scholar Harold Holzer as The Speech That Made Abraham Lincoln President Election 1860 Newspaper The Rail Splitter 24 pages of The Rail Splitter newspaper constituting 6 issues dating from June 23 1860 to October 27 1860 The Rail Splitter was a campaign newspaper in support of candidate Abraham Lincoln and the Republican Party in the presidential campaign of 1860 This newspaper was based in Chicago Illinois and published 18 weekly issues from June 23 1860 to October 27 1860 by publisher Charles Leib A different pro Lincoln newspaper also called the Rail Splitter was published in Cincinnati during the same time period In the first issue June 23 1860 Leib wrote this in the introduction to his newspaper We have in our Prospectus given the reasons that induced us to establish The Rail Splitter It is occasionally thrown into our teeth that in 1856 we labored earnestly for the election of James Buchanan and it is true We believed him to be an honest man and that he *he* in italics for emphasis would be President if elected We were however mistaken for he is the willing tool of the slavery propagandists who have put a collar around his neck and will not even permit him to bark unless in their presence He finished his introduction by stating We are responsible for all articles that appear in The Rail Splitter and as this promises to be a warm and exciting campaign in which there will be a great deal of crimination and recrimination if we should incur the displeasure of any of the Democracy the term Democracy was often used at the time to refer the Democratic Party and its rule for telling the truth and

Lincoln, Philosopher Statesman David Lowenthal, 2012-02-09 By analyzing many of Lincoln s most important speeches The Mind and Art of Abraham Lincoln Philosopher Statesman shows him to be a profound and systematic thinker who tries to get at the root of issues not all of them strictly political Lowenthal emphasizes Lincoln s manner of writing which enables him to conceal his most radical thoughts and pays special attention to the reasoning and artfulness with which he treats a wide variety of subjects The book follows Lincoln from his Perpetuation or Lyceum address in 1838 to his last speech just after Lee s surrender as he confronts the great issues of the day and lays out the fundamentals of American politics Along the way Lowenthal s careful analysis frees Lincoln of the charge of racial prejudice with which he has been saddled in recent years
