Sandra Glahn,2017-12-08 Gain a greater understanding of gender in the Bible through the eyes of a diverse group of evangelical scholars who assert that Christians have missed the point of some scriptural stories by assuming the women in them were bad girls Did the Samaritan woman really divorce five husbands in a world where women rarely divorced even one Did Bathsheba seduce King David by bathing in the nude Was Mary Magdalene really a reformed prostitute While many have written studies of the women in the Bible this is a new kind of book one in which an international team of male and female scholars look afresh at vilified and neglected women in the Bible The result is a new glimpse into God s heart for anyone male or female who has limited social power **God in 3D** Colin Green,2019-12-11 This groundbreaking book sets out fresh arguments that common views on the doctrine of the Trinity are mistaken on three counts One the idea of the Trinity can t be found explicitly in Scripture Two it is a mystery irrational to the human mind Three the classical creeds of the church are the best place to start These old ideas break down in light of recent research in biblical studies Writing in plain English the author sets out where the Trinity can be found in Hebrew and Christian Scripture that it is rational and understandable and that there are biblical ways of understanding it that are easier to get across than the classical creeds This book offers what many interested in teaching or learning about the Trinity have lacked up to now And it will be a great help to those who are unsure how to communicate the idea of the Trinity in ways that the nonspecialist can understand For the scholar interested in biblical and early church studies recent insights from temple theology and name theology produce a fresh perspective that will stimulate further discussion on this important subject In the temple of God we find the triune God
