report on them But how can we trust such reports as under those circumstances they must have gone out of their minds
Through an all encompassing minute analysis of the entirety of Poe s work both his fiction and his nonfiction this book argues
that descending into a gigantic whirlpool or being tormented by the Inquisition or by bloodthirsty natives are only indications
of what it takes to encounter others in everyday life To understand them we must in all cases go out of our minds enter theirs
and sense the horror of what it would be to be lost there And then for as long as we are able stay on the threshold between
