SUMMER Comic Book Writing

You will need:

- Summer story transforming and comic pages
- Crayons, colored pencils, markers, etc.

Instructions:

- Share this example with your child. We got in the car to go to the pool as a family. After that we got in the pool to swim and play. After a while they blew the whistle to tell everyone to get out while we cleaned the pool. While we waited, we brought hot dogs. They were delicious. Then when they blew the whistle again we got back in the pool. When it was time to go, we got back in the car and drove home.
- Ask your child if they can think of their own summer stories that have lots of details. Just like the example, then ask your child what they know about the format of comic books (such as in comic books or expository words, conversational text, etc.).
- Tell the your child that they will be writing about their own summer stories... comic book style. They will need to think of a story that has several things that happened during their story.
- Tell the children that first, they need to come up with their summer story comic. Have your child fill out the summer transforming graphic organizer. Then they need to think of 2-3 ideas for their summer story. Then they need to choose one story comic using the comic book template.
