300 Thirty Minute Workouts For Busy People:

300 Thirty Minute Workouts for Busy People Matthew Johnson, 2014-11-06 300 30 Minute Workouts for Busy People is a collection of 300 short but effective and creative workouts that are intended to be completed in as little as 30 minutes. Workouts are organized first by the primary part of the body being targeted on a given day then by the results that an individual is trying to achieve and finally by the experience level of the person performing the workouts. Anyone from beginners to the most experienced lifters can find this book useful as it is intended to be stored at a desk at work or in the car so that it can be quickly referenced before a short gym session.

The Busy Person's Guide to Permanent Weight Loss Melina Jampolis, 2008-05-06 The Busy Person's Guide to Permanent Weight Loss reveals a weight loss plan busy people can successfully use in the real world. Busy people see to everything and everyone except themselves. The result is unexpected weight gain. But few people have the time to lose weight. This revolutionary approach to weight loss embraces the hectic lifestyle and provides realistic strategies for staying on target including a program that is easily tailored to fit individual dieting needs, helpful dining options for eating out, healthy flavorful and FAST menu ideas for eating in, and time saving strategies to maximize results. No two people lose weight the same way and busy people need a plan designed for their schedule. Dr. Jampolis has developed variations of the plan that will work with every lifestyle and every schedule. You can even create your own plan by applying her seven principles into a plan that suits your lifestyle.

The Cardio-Free Diet Jim Karas, 2008-12-30 The Cardio Free Diet is a revolutionary four phase program that emphasizes strength training to boost the metabolism, build lean muscles, and achieve all the same heart healthy benefits of cardio in much less time.

Measured Success! Edward J. Coates, 2005-03 Measured Success cuts through the clutter of diet and exercise information and provides an uncomplicated strategy that anyone can understand, follow, and share with others. Measured Success simplifies and clarifies the process of counting calories in both diet and exercise and introduces a unique strategy called the Power of 11 that is nutritionally sound, easy to remember, and effective in achieving results. Included in the book are charts to help estimate the nutritional value of most foods, predict the calories burned during exercise, and charts approximate your metabolism. The author shares his success in losing over forty pounds and his continued ability to maintain his new weight for nearly twenty years specifically through diet and exercise. Measured Success looks at the cultural change in America which the author calls the super sized self propelled lifestyle and relates this new phenomenon to the obesity crisis we now face. However, most importantly, the book Measured Success proves a realistic, practical, and proven solution. The book is written in an easy to understand and follow manner and avoids excessive clinical or technical information. In fact, the goal of the book is to simplify diet and exercise into a strategy with which anyone can achieve long term weight loss. The Power of 11, as introduced in the book, will help readers establish a realistic target weight which is a minimum loss of 11% of the reader's current weight within six months. The Power of 11 provides a daily caloric budget which is 11 times the reader's target weight.

The exercise component of the Power of 11 strategy is a weekly target of calories burned equal to 11 times the readers weight Thus the Power of 11 is an uncomplicated measurable way to establish and achieve a weight loss goal Fitness Professional's Handbook Barbara A.
